

BEDLINOG NEWS

END OF YEAR 2025

A MESSAGE FROM MR. MORGAN

As we come to the end of another academic year, I would like to take this opportunity to reflect on what has been a busy, productive, and successful year at Bedlinog Community Primary School.

Firstly, I want to say a massive thank you to all of you—our families—for your continued support. Your encouragement, understanding, and partnership make such a difference to the experience we can offer our pupils. Whether it's attending events, supporting with learning at home, or simply being a friendly face at the school gate, your involvement truly helps to create the warm and welcoming community we are so proud of.

This year has seen so many highlights: fantastic performances, sporting achievements, educational trips, and creative learning across all year groups. Our pupils have shown resilience, curiosity, and kindness throughout—and I couldn't be prouder of what they have achieved. A special mention to our Year 6 leavers, who leave us this term. We wish them all the very best as they move on to the next exciting chapter in their education.

To our dedicated staff team, thank you for your unwavering commitment, passion, and care. Their hard work ensures that every child at Bedlinog is supported to thrive both academically and personally. As we now look ahead to a well-earned summer break, I hope you and your families find time to rest, recharge, and enjoy time together. If you haven't already, you can find our Annual Report of the Governing Body on our website which will provide a more in depth overview of the work of the school this year. Please do find time to read through.

We're excited about the new school year and all the opportunities it will bring. Thank you again for being such an important part of the Bedlinog Community Primary School family.

I wish you all an amazing summer and look forward to seeing you all in September!

Diolch!

We would like to say a big 'DIOLCH' to Mrs Parry who will sadly be leaving us today. Mrs Parry has worked at Bedlinog Community Primary School for the last 13 years and she will be missed by all of us at the school. Mrs Parry is relocating to Aberystwyth over the Summer Holidays and we want to wish her all the very best in her new adventure! We will be sad to see her go but know that she will always be a part of our School family and we look forward to her visiting us in the future! Diolch Mrs Parry!

SCHOOL IMPROVEMENT - 2025/2026

Each year the school evaluates its work following the outcomes of feedback received from all stakeholders at the school, as well as the outcomes of our monitoring work. From this we have identified the following improvement targets for 2025/2026:-

- To develop pupils' independence and strengthen their voice within the school so they take greater ownership and engage more actively in their learning.
- To further develop pupils' digital skills across the curriculum, ensuring pupils are digitally literate, confident, and safe users of technology.
- To ensure that pupils develop their Welsh language skills progressively, with increasing confidence and competence across all year group.
- To further develop consistent, whole-school approaches that foster a positive, inclusive, and respectful learning environment.
