

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

Modern Foreign Languages

Learning a foreign language provides a valuable educational, social and cultural experience in preparation for future life. It is important that children are aware of the world that they live in and are able to communicate effectively with those around them. At Newbold Church of England Primary School, we teach French throughout Key Stage 2, providing children with the opportunity to practise speaking, writing and reading in another language as well as developing their intercultural understanding. Through different activities, such as songs and games, we aim to instil in children a love of language learning and a curiosity about other cultures around the world.
