

Excellence without compromise

We will be writers when we –

design our own mythical creature

develop characters through dialogue

create a three-part narrative exploring a Viking raid on Lindisfarne.

Design a persuasive advert to encourage people to visit Scandinavia.

We will be linguists when we –

Can introduce ourselves and talk about school subjects.

Can talk about time in a French city and ask for directions

We will be historians when we –

explore what Britain was like before, during and after the first Viking invasions. Including: settlements by Anglo Saxons and Scots and why they invaded Britain, leaders and daily life

We will also find out how and when England became a unified country.

We will be scientists when we –

classify materials and look at their properties and uses

separate materials and explore reversible and irreversible changes

explore if we can create drinkable water from sea water

We will be sports people when we –

Investigate strength training regimes and create our own Circuit Training routines.

We will be designers when we –

Reinvent a nutritious meal to be more sustainable.

We will be musicians when we –

express ourselves through song and perform using body percussion and instruments.

develop our musical skills using the Charanga Units 'Livin' on a prayer' and Classroom Jazz'

We will be geographers when we –

explore Scandinavia! Locating its countries and major cities on a world map, exploring the climate and weather, physical features, aspects of its human geography, comparing it to the UK and even creating our own Tourist guides!

Ignite

An explosion of learning across the curriculum

Spark: Anglo Saxons, Scots and Vikings: Menaces or geniuses?

Visit – Viking Warrior

Big Question – Have you got what it takes to be a Viking warrior?

Year - 5
Term – Autumn

We will be theologians when we –

discuss different religions, why some people believe God exists and discuss how the values of Jesus are relevant today (Believing).

We will be mathematicians when we –

understand number, by using place value, and compute calculations.

We will be artists and designers when we –

Design an Anglo Saxon brooch and create our own Viking Longboats scenes
