

Success stories

Freddie Holding age 19

Current employer	Darthaven Marina
Job title	Marine Engineer
Current course studying	Level 3 Marine Engineering
Grades achieved at South Devon UTC	BTEC Level 3 Engineering D*DD
Current Salary	£15,000 as a starting salary, progressing annually

Freddie completed his course in June 2022 with highly competitive grades, equivalent to A*AA at A-Level. He worked very hard to secure an apprenticeship, specialising in Marine Engineering. Freddie will look to continue his studies following his specialism and build on his experience and interests. He is thoroughly enjoying his work and took great joy in sending the image of himself at work!

When asked which BTEC Unit you use most of all in your current role:

I use the pneumatics and hydraulic units a great deal when replacing and fixing steering systems and rams
