

St Mary's C of E Primary School

Hedgehog Class Weekly Newsletter Friday 25th November 2022

Dear Families,

Another productive week! It was great to see you all during parents evening this week. If we didn't get a chance to meet - please arrange a catch-up with me after school one afternoon in the next couple of weeks.

We had a lovely trip to the Kings Centre this week for the Christmas Journey. Thanks so much to all the parents who helped us walk the mile and back! I've added some photos of our trip.

We are making progress with practising for our School play - thanks so much for practising at home and for sending in costumes. We can't wait to perform for you!

In English we have been retelling the story of Bob using a story map and time conjunctions. In maths we have completed our topic of addition and subtraction and we are moving onto shape next. In history we are learning about the great fire of London and in Science we are investigating what materials things in the school grounds are made out of. In art we have appraised the work of Pablo Picasso and will be creating self portraits in Picasso style next.

Reminders of the week:

- Extreme reading challenge photos if you haven't sent it yet
- If anyone would like to help out/support in class as parent helpers please let me know.
- Thank you also for continuing to practise lines at home! The school play is getting closer - please keep on practising and remember to send costumes into class.

Have a good weekend and see you next week!

Warm regards,
Mrs Reeve

Key Instant Recall Facts

Year 2 – Autumn Term 2

By the end of this half term, children should know the following facts. The aim is for them to recall these facts with speed and accuracy:

I can count, read and write numbers to 100 in numerals

Children should be able to recall, read and write ALL numbers from zero to one hundred in numerals.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Key vocabulary

20 = twenty 21 = twenty-one
22 = twenty-two 23 = twenty-three
24 = twenty-four 25 = twenty-five
26 = twenty-six 27 = twenty-seven
28 = twenty-eight 29 = twenty-nine
30 = thirty 40 = forty
50 = fifty 60 = sixty
70 = seventy 80 = eighty
90 = ninety 100 = one hundred

Top tips

The secret to success is practising *little* and *often*. Use time wisely. Can you practise this KIRF whilst walking to school or during a car journey? You do not need to practise all aspects of the KIRF all at once; perhaps you could have a fact of the day, or a few facts per week to practise? If you would like more ideas, please speak to your child's teacher.

Practical resources and ideas

Use a hundred square (you can print these off online or ask your child's class teacher for a copy) and hide different numbers with counters. Ask your child to say and write the hidden numbers in numerals and words.
