

## **Lovelace School Song**

1. Lovelace is the place, to learn and love and be supportive.
2. One day a little boy came to Lovelace school and he said “What’s so great about Lovelace?”

### **This is what we said:**

3. We love to work,  
we love to play,  
we love to talk and have our say.  
We are an ECO school.
4. Great wildlife surrounding us,  
we get on with our work without a fuss.
