

## Introduction

On behalf of the Governors, I enclose a copy of the Home School Agreement for you to sign and return to the school office.

Schools are required by law to publish a Home-School Agreement and invite parents and carers of statutory school age children registered with the school to sign a declaration supporting the agreement.

I hope the signing of this Agreement will help to strengthen the partnership between home and school.

Along with this leaflet, you will also receive a copy of the rules that your child has negotiated and agreed with the rest of their class for the coming year.

Yours sincerely

**Tina Rodwell-Lynn**  
Head Teacher
