

Term	Autumn 1	Date	21 st October 2024
21 st October 2024			

Information

- During half term (26th October – 3rd November) please encourage or arrange a healthy and restful break for your children, trying to keep them active. It is also important that they keep on top of their learning, for instance, – counting/times tables, reading and writing.
- Thank you for your wonderful food donations – we'll redistribute these as part of our food bank.
- Some children have been offered an exciting learning opportunity at Manchester Metropolitan University – if your child has been invited and if able, please take up this brilliant initiative.
- Each week we end with celebration assemblies – at these assemblies we give out merits and class attendance awards and announce the house points. At the end of each half term we hold smaller celebration assemblies, focusing on Royal Write, Calculation CAPE and lab Coat winners (Science).

Spotlight

Sleep

Each week in celebration assembly Ms Whiteside tends to give a wellbeing tip. This week, as she was organising the generous food donations, Mr Boothby took up the mantle. He talked about the importance of sleep on our mental health and mood and that we should all aim to have a good night's sleep each night. He discussed the impact of too little sleep on our emotional well-being and concentration.

Celebrations

- Congratulations to Miss Dossajee who has been awarded TA of the year from the agency that she represents
- We wish all of those who will be celebrating Diwali and beginning Navratri during the school holiday the very best
- Congratulations to Nam, 5N and 6W for demonstrating impeccable reliability in the form of perfect punctuality
