Statement of intent

St Denys CE Infant School is an inclusive mainstream Infant School which aims to ensure all children receive an education that enables them to achieve their best, become confident individuals living fulfilling lives and make a successful transition into adulthood.

This policy outlines the framework the school will use in meeting its duties, obligations and principal equality values in providing an appropriate high-quality education for pupils with SEND.

Through successful implementation of this policy, the school aims to eliminate discrimination and promote equal opportunities.

The school will work with the LA, or equivalent, in ensuring that the following principles underpin this policy:

- The involvement of pupils and their parents in decision-making.
- The early identification of pupils' needs and early intervention to support them.
- A focus on inclusive practice and removing barriers to learning.
- Collaboration between education, health and social care services to provide support.
- High-quality provision to meet the needs of pupils with SEND.
- Greater choice and control for pupils and their parents over their support.
- Successful preparation for adulthood, including independent living and employment.

Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities. For the purposes of this policy, a pupil is defined as having SEND if they have:

- A significantly greater difficulty in learning than most others of the same age.
- A disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age in mainstream settings.
- Special educational provision that is additional to or different from that made generally for other children or young people of the same age by mainstream settings.

1. Legal framework

This policy has due regard to all relevant legislation including, but not limited to, the following:

- Local Government Act 1974
- Disabled Persons (Services, Consultation and Representation) Act 1986
- Children Act 1989
- Education Act 1996
- Education Act 2002
- Mental Capacity Act 2005
- Equality Act 2010
- The Equality Act 2010 (Disability) Regulations 2010
- Children and Families Act 2014
- The Special Educational Needs (Personal Budgets) Regulations 2014
- The Special Educational Needs and Disability (Amendment) Regulations 2015
- The Special Educational Needs and Disability (Detained Persons) Regulations 2015
- The UK General Data Protection Regulation (GDPR)
- Data Protection Act 2018
- Health and Care Act 2022

This policy has due regard to statutory and non-statutory guidance, including, but not limited to, the following:

- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'
- DfE (2015) 'Supporting pupils at school with medical conditions'
- DfE (2018) 'Working Together to Safeguard Children 2018'
- DfE (2018) 'Mental health and wellbeing provision in schools'
- DfE (2021) 'School Admissions Code'
- DfE (2024) 'Keeping children safe in education 2024'
- Equality and Human Rights Commission (EHRC) (2015) 'Reasonable adjustments for disabled pupils'

This policy operates in conjunction with the following school policies:

- Admissions Policy
- Pupil Equality, Equity, Diversity and Inclusion Policy
- Pupil Confidentiality Policy
- Data Protection Policy
- Records Management Policy
- Social, Emotional and Mental Health (SEMH) Policy
- Supporting Pupils with Medical Conditions Policy
- Child Protection and Safeguarding Policy
- Careers Policy
- Suspension and Exclusion Policy
- Behaviour Policy

- Complaints Procedures Policy
- Accessibility Policy

2. Objectives

At St Denys our school motto is 'G3L. Grow in wisdom. Live well. Love God. Love others.' This belief is embedded throughout our SEN policy as we believe that every child, regardless of age, gender, race and religion, intellectual or physical disability should be given every opportunity to fulfil their potential. We believe that by working with the child, parents/carers and members of staff, we can provide the appropriate environment for each child to learn.

Every school is required to identify and address the SEND of the pupils that they support. Through the implementation of this policy, the school will:

- Use their best endeavours to make sure that pupils with SEND get the support they need to access the school's broad and balanced curriculum.
- Ensure that pupils with SEND engage in the activities of the school alongside pupils who do not have SEND.
- Ensure there is high-quality provision to meet the needs of pupils with SEND, with specific focus on inclusive practice and removing barriers to learning.
- Fulfil its statutory duties towards pupils with SEND in light of the SEND code of practice.
- Promote disability equality and equality of opportunity, fulfilling its duties under the Equality Act 2010 towards individual disabled pupils.
- Make reasonable adjustments, including the provision of auxiliary aids and services, to ensure that disabled pupils are not at a substantial disadvantage compared with their peers.
- Designate a teacher to be responsible for coordinating SEND provision, i.e. the SENDCO.
- Inform parents when they are making special educational provision for their child.
- Review, prepare and publish important information about the school and its implementation of relevant SEND policies, including:
 - Accessibility plans setting out how they plan to increase access to the curriculum and the physical environment for pupils with SEND.
 - Information about the admission arrangements for pupils with SEND and the steps taken to prevent them being treated less favourably than others.
 - A SEN information report about the implementation of the school's policy for pupils with SEND.

3. Roles and responsibilities

The SENDCo at St Denys Infant School is Mrs C Webster, who is a qualified teacher with the National Award for SEN Co-ordination.

The Head of Specialist Resource base, Willow Class, is Mrs Sian King.

The Headteacher, Mrs C Sargeant, alongside Mrs C Webster are the advocates for Special Educational Needs on the Senior Leadership team.

The Headteacher and the SENDCo are responsible for managing the school's response to the provision that we make for children with SEN.

The governing board will be responsible for:

- Ensuring this policy is implemented fairly and consistently across the school.
- Ensuring the school meets its duties in relation to supporting pupils with SEND.
- Ensuring that there is a qualified teacher designated as SENDCO for the school.

The headteacher is responsible for ensuring the school offers a broad and balanced curriculum, with high quality teaching and a positive and enriching educational experience of for all pupils, including pupils with SEND.

In enacting this policy, the headteacher will:

- Ensure the school holds ambitious expectations for all pupils with SEND.
- Establish and sustain culture and practices that enable pupils with SEND to access the curriculum and learn effectively.
- Ensure the school works effectively in partnership with parents, carers and professionals, to identify the additional needs and SEND of pupils, providing support and adaptation where appropriate.
- Ensure the school fulfils its statutory duties with regard to the SEND code of practice.
- Work with the governing board to ensure that there is a qualified teacher designated as SENDCO for the school.
- Ensure the SENDCO has sufficient time and resources to carry out their functions.
- Provide the SENDCO with sufficient administrative support and time away from teaching to enable them to fulfil their responsibilities.
- Regularly and carefully reviewing the quality of teaching for pupils at risk of underachievement, as a core part of the school's performance management arrangements.
- Ensure that procedures and policies for the day-to-day running of the school do not directly or indirectly discriminate against pupils with SEND.

The SENDCO will be responsible for:

- Collaborating with the governing board and headteacher, as part of the SLT, to determine the strategic development of the SEND policy and provision in the school.
- The day-to-day responsibility for the operation of SEND policy.
- The coordination of specific provision made to support individual pupils with SEND.
- Liaising with the relevant designated teacher for LAC with SEND.
- Advising on a graduated approach to providing SEND support.
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively.
- Liaising with the parents of pupils with SEND.
- Liaising with early years providers, other schools, educational psychologists, health and social care professionals, and independent or voluntary bodies, as required.
- Being a key point of contact for external agencies, especially the LA and LA support services.

- Liaising with the potential future providers of education to ensure that pupils and their parents are informed about the options, and a smooth transition is planned.
- Working with the relevant governors and the headteacher to ensure that the school meets its responsibilities under the Equality Act 2010, regarding reasonable adjustments and access arrangements.
- Ensuring that the school keeps the records of all pupils with SEND up-to-date, in line with the school's Data Protection Policy.
- Providing professional guidance to colleagues, and working closely with staff, parents and other agencies.
- Being familiar with the provision in the Local Offer and being able to work with professionals who are providing a supporting role to the family.

Teachers will be responsible for:

- Planning and reviewing support for pupils with SEND on a graduated basis, in collaboration with parents, the SENDCO and, where appropriate, the pupils themselves.
- Setting high expectations for every pupil and aiming to teach them the full curriculum, whatever their prior attainment.
- Planning lessons to address potential areas of difficulty to ensure that there are no barriers to every pupil achieving.
- Ensuring every pupil with SEND is able to study the full national curriculum.
- Being accountable for the progress and development of the pupils in their class.
- Being aware of the needs, outcomes sought, and support provided to any pupils with SEND they are working with.
- Understanding and implementing strategies to identify and support vulnerable pupils with the support of the SENDCO.
- Keeping the relevant figures of authority up-to-date with any changes in behaviour, academic developments and causes of concern. The relevant figures of authority include the headteacher.

4. Identifying SEND

The school recognises that early identification and effective provision improves long-term outcomes for pupils. As part of the overall approach to monitoring the progress and development of all pupils, it has a clear approach to identifying and responding to SEND as outlined in the school's SEND Information Report.

With the support of the SLT, classroom teachers will conduct regular progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress given their age and individual circumstances.

'Less than expected progress' will be characterised by progress which:

- Is significantly slower than that of their peers starting from the same baseline.
- Does not match or better the pupil's previous rate of progress.
- Fails to close the attainment gap between them and their peers.

- Widens the attainment gap.

Slow progress and low attainment will not automatically mean a pupil is recorded as having an additional need as we also consider what is 'not a special educational need' but may still impact on progress and attainment such as;

- Attendance and punctuality
- Health and Welfare
- English as an Additional Language
- Being in receipt of Pupil Premium Grant
- Being a Looked After Child
- Being a child of Serviceman/woman.

Staff will take this into consideration when making initial assessments. Concerns may have been raised by Pre-school providers. The EYFS Profile in the Foundation Stage is used as guidance for staff to indicate those children who may need careful monitoring.

In accordance with the SEND Code of Practice 2015, behaviour alone will not be identified as a category of SEND. At St Denys Infant School, we will aim to ensure that any concerns relating to a child's behaviour will be considered a response to an underlying need, which as a school we will aim to recognise, clearly identify and take the appropriate steps to support both the child and the family. Where housing, family or other domestic circumstances may be contributing to a child's behaviour the school will seek appropriate support with parents' consent.

The school plans, manages and reviews SEND provision across the following four broad areas of need:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

St Denys Infant School uses these categories as a guide but recognise that identifying a child with additional needs is not about trying to fit a child into a category but deciding what action the school needs to take to address those needs. We also recognise that a child's additional needs may cross multiple categories.

5. Safeguarding

The school recognises that evidence shows pupils with SEND are at a greater risk of abuse and maltreatment, so will ensure that staff are aware that pupils with SEND:

- Have the potential to be disproportionately impacted by behaviours such as bullying.
- May face additional risks online, e.g. from online bullying, grooming and radicalisation.

- Are at greater risk of abuse, including child-on-child abuse, neglect, and sexual violence and harassment.

The school recognises that there are additional barriers to recognising abuse and neglect in this group of pupils. These barriers include, but are not limited to:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the pupil's condition without further exploration.
- These pupils being more prone to peer group isolation or bullying (including prejudice-based bullying) than other pupils.
- The potential for pupils with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs.
- Communication barriers and difficulties in managing or reporting these challenges.

The headteacher and governing board will ensure that the school's Child Protection and Safeguarding Policy reflects the fact that these additional barriers can exist when identifying abuse. When using physical intervention and reasonable force in response to risks presented by incidents involving pupils with SEND, staff will have due regard for the procedures outlined in the school's Physical Intervention Policy.

Care will be taken by all staff, particularly those who work closely with pupils with SEND, to notice any changes behaviour or mood, or any injuries, and these indicators will be investigated by the DSL in collaboration with the SENDCO.

6. SEND support

The school is aware of its statutory duty to provide a broad and balanced curriculum and recognise that high quality teaching, which is differentiated for individual pupils, is the first step in responding to pupils who have or may have SEND.

Teachers at St Denys will:

- Set high expectations for every pupil through an ambitious and carefully sequenced curriculum.
- Use appropriate assessment to set targets which are deliberately ambitious.
- Plan lessons to ensure that there are no barriers to every pupil achieving.
- Be responsible and accountable for the progress and development of the pupils in their class, including where pupils access support from teaching assistants or specialist staff.

Decisions on whether to make special educational provision for pupils will be based upon:

- Discussions between the teacher and SENDCO.
- Analysis of the pupil's progress – using internal formative and summative assessments, alongside national data and expectations of progress.
- Discussion with the pupil and their parent.

Special Educational provision within school can include:

- Adaptive planning to deliver the curriculum most appropriate to the child
- different methods of teaching/ learning to meet the child's needs.
- Individual targets to support an area of development.
- Small group support and interventions.
- Increased support from the Teacher or Teaching Assistant.

St Denys Infant School uses different tiers of support to identify any special educational provision that is put in place for children with SEND. These are explained below:

Tier 1 provision is universal and puts the emphasis on quality first teaching. Staff unpick the children's behaviours and work out where there are barriers to learning and make provision to support these. Staff communicate with parents to see if there are concerns at home and to outline concerns at school. Staff make their best endeavours and reasonable adjustments to meet the needs of all children within their class.

Tier 2 provision- If children are identified as not having made sufficient progress within their Tier 1 support, staff plan individual, targeted intervention to boost progress in learning. Staff complete an Initial Concerns form detailing the areas of concern and what support/ intervention is already in place. This forms the basis of conversations between the SENDCO, Class Teacher and parents. Staff write a Learning Plan clearly detailing what targets the children are currently working on. This should be shared with parents.

Where children fail to make sufficient progress despite rigorous and thorough intervention, best endeavours and reasonable adjustments, the school may utilise the support of specialist services such as Educational Psychologists, Specialist Teaching Service and/ or Speech and Language Therapists to make more detailed assessments of the children and plan accordingly. Teachers are expected to write a SEND Support Plan which will be reviewed and updated termly with the SENDCO. This is known as Tier 3 Provision.

Where a Special Educational Need at Tier 2 has been identified the school will follow the graduated response as outlined in the SEND Code of Practice (2015). It is at this point that a child is added to the SEND Register.

Once a pupil has been identified with SEND, the school will employ a graduated approach to meeting the pupil's needs. This will be through the adoption of a four-part cycle – **assess, plan, do, review** – whereby earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. The process is as follows:

- **Assess:** establishing a clear assessment of the pupil's needs
- **Plan:** agreeing the adjustments, interventions and support to be put in place, as well as the expected impact on progress, development or behaviour, along with a clear date for review
- **Do:** implementing the agreed interventions and support
- **Review:** analysing the effectiveness of the interventions and their impact on the pupil's progress in line with the agreed review date

Where higher levels of need are identified, the school will access specialised assessments from external agencies and professionals.

Where, despite the school having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, they have not made expected progress, the school, in consultation with parents, will consider requesting an Education, Health and Care needs assessment.

EAL

The school is aware that there may be pupils at the school for whom English is not their first language and appreciates that having EAL is not equated to having learning difficulties. At the same time, when pupils with EAL make slow progress, it will not be assumed that their language status is the only reason; they may have SEND.

The school will consider the pupil within the context of their home, culture and community and look carefully at all aspects of a pupil's performance in different subjects to establish whether the problems they have in the classroom are due to limitations in their command of English or arise from SEND.

7. Admissions

The school will ensure it meets its duties set under the DfE's 'School Admissions Code' by:

- Not refusing admission for a child thought to be potentially disruptive, or likely to exhibit challenging behaviour, on the grounds that the child is first to be assessed for SEND.
- Not refusing admission for a child that has named the school in their EHC plan unless it is felt by the school that the needs outlined in the EHC plan cannot be met.
- Considering applications from parents of children who have SEND but do not have an EHC plan.
- Not refusing admission for a child who has SEND but does not have an EHC plan because the school does not feel able to cater for those needs.
- Not refusing admission for a child who does not have an EHC plan.
- Not discriminating against or disadvantaging applicants with SEND.
- Ensuring policies relating to school uniform and trips do not discourage parents of pupils with SEND from applying for a place.
- Adopting fair practices and arrangements in accordance with the 'School Admissions Code' for the admission of children without an EHC plan.
- Ensuring the school's oversubscription arrangements will not disadvantage children with SEND.
- Ensuring that tests for selection are accessible to children with SEND, with reasonable adjustments made where necessary.

Arrangements for the fair admissions of pupils with SEND are outlined in the Admissions Policy and will be published on the school website.

8. Transition

The school is aware of the importance of planning and preparing for the transitions between phases of education and preparation for adult life.

When children are due to begin school at St Denys and enter the Early Year Foundation Stage (EYFS) the EYFS lead and SENDCo will make contact with the feeder nurseries in the Spring Term to have initial discussions about the children due to transition. Where issues are raised school will work closely with the nurseries to ensure a full understanding of the children and that there is appropriate staffing and provision in place before they start school. If a child is due to transfer from one school to St Denys during the academic year, the SENDCo will make contact with the other school and have an in-depth handover so correct provision can be implemented.

Before a child with SEND moves to the next class, time will be given for the class teachers to share information regarding the provision and support that has been put in place. Assessment information is also shared. When children are in Year 2 and a school of their choice has been chosen transition arrangements will be made during their review to address any specific needs that may impact on a smooth transition. St Denys Infant School has good links with Ibstock Junior School and both school SENDCo's meet to share relevant information.

Where pupils have EHC plans, these will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of support and provision at the new setting.

9. Involving pupils and parents in decision-making

The school is committed to working in partnership with all parents in the best interests of their child and will provide an annual report for all parents on their child's progress.

Where a pupil is receiving SEND support, the school will regularly liaise with parents in setting outcomes and reviewing progress. The class teacher, supported by the SENDCO, will meet with the parents at least **three** times each year.

The planning that the school implements will help parents and pupils with SEND express their needs, wishes and goals, and will:

- Focus on the pupil as an individual, not allowing their SEND to become a label.
- Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
- Highlight the pupil's strengths and capabilities.
- Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
- Tailor support to the needs of the individual.
- Organise assessments to minimise demands on parents.
- Bring together relevant professionals to discuss and agree together the overall approach.

Where the LA provides a pupil with an EHC plan, the school will involve the parents and the pupil in discussions surrounding how the school can best implement the plan's provisions to help the pupil

thrive in their education, and will discern the expected impact of the provision on the pupil's progress.

Where necessary, the school will facilitate support from an advocate to ensure the parent's views are heard and acknowledged.

10. Funding for SEND support

Where additional pupil needs are identified the school will use its delegated funding allowance to provide early intervention support for the benefit of pupils identified with SEND.

Where pupils with SEND have been receiving early intervention support but are still not making sufficient progress, the school will consider accessing high needs SENIF funding from the LA to provide additional specialist support.

11. EHC needs assessments and plans

The school recognises that, despite having taken relevant and purposeful action to identify, assess and meet the SEND of a pupil, some pupils may not make expected levels of progress. In these cases, the school will consult with parents and consider requesting an EHC needs assessment.

The purpose of an EHC plan is to make special educational provision to meet the SEND of the pupil, to secure the best possible outcomes for them across education, health and social care and prepare them for adulthood.

As part of the EHC needs assessment, the school will meet its duty by:

- Responding to any request for information as part of the EHC needs assessment process within six weeks from the date of the request, unless special exemptions apply as outlined in the SEND code of practice.
- Providing the LA with any school-specific information and evidence about the pupil's profile and educational progress.
- Gathering any advice received from relevant professionals regarding their education, health and care needs, desired outcomes, and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.

If, following the assessment, the LA decides not to issue an EHC plan, the school will be provided with written feedback collected during the EHC needs. It will use this information to contribute to the graduated approach and inform how the outcomes sought for the pupil can be achieved through further special educational provision made by the school and its partners.

Where the LA decides to issue an EHC plan, it must consult the prospective school by sending a copy of the draft plan and consider their comments before deciding whether to name it in the pupil's EHC plan. The school will meet its duty to provide views on a draft EHC plan within 15 days.

The school will admit any pupil that names the school in an EHC plan and will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.

12. Reviewing EHC plans

The school will ensure that teachers monitor and review the pupil's progress during the year and conduct a formal review of the EHC plan at least annually.

The school will:

- Cooperate with the LA and relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting, such as representatives from the LA SEN, social care and health services.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents involved at all times.
- Lead the review of the EHC plan to create the greatest confidence amongst pupils and their parents.
- Prepare and send a report of the meeting to everyone invited within two weeks of the meeting, setting out any recommendations and amendments to the EHC plan.
- Clarify to the parents and pupil that they have the right to appeal the decisions made regarding the EHC plan.
- Where possible for LAC, combine the annual review with one of the reviews in their care plan, in particular the personal education plan (PEP) element.
- Where necessary, provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- Where necessary, facilitate support from an advocate to ensure the parent's views are heard and acknowledged.
- Review each pupil's EHC plan to ensure that it includes the statutory sections outlined in the 'Special educational needs and disability code of practice: 0 to 25 years', labelled separately from one another.

If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment. Thereafter, the governing board or headteacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.

13. Supporting successful preparation for adulthood

The school is aware that being supported towards greater independence and employability can be life-transforming for pupils with SEND. It recognises the importance of starting early, centring on pupil aspirations, interests and needs, and will ensure that pupils are supported at developmentally appropriate levels to make a smooth transition to what they will be doing next, e.g. moving on to higher education.

The school will:

- Seek to understand the interests, strengths and motivations of pupils and use this as a basis for planning support around them.
- Support pupils so that they are included in social groups and develop friendships.
- Ensure that pupils with SEND engage in the activities of the school together with those who do not have SEND, and are encouraged to participate fully in the life of the school and in any wider community activity.
- Engage with secondary schools, as necessary, to help plan for any transitions.

14. Managing complaints

The school will publish the Complaints Procedure Policy on the school website.

Following a parent's serious complaint or disagreement about the SEND provision being made for their child, the school will contact the LA immediately to seek disagreement resolution advice, regardless of whether an EHC plan is in place.

The school is aware of the formal and informal arrangements for resolving disagreements at a local level and will work with the LA in responding to requests for information as part of procedures for:

- Disagreement resolution.
- Mediation.
- Appeals to the SEND Tribunal.

Parents will be made aware that Ofsted can consider complaints relating to whole-school SEND early years provision if the problem has not been resolved informally.

The school will meet any request to attend a SEND tribunal and explain any departure from its duties and obligations under the 'Special educational needs and disability code of practice: 0 to 25 years'.

15. Staff training and improving practice

The school is committed to the learning and development of all its staff members and training opportunities will be provided and delivered in line with the school's CPD and Training Policy.

The school SENDCO will assess staff competencies and ensure that CPD provision allows staff to develop their awareness, skills, and practices in identifying, educating, and assessing pupils with SEND.

16. Use of data and record keeping

All information about pupils will be kept in accordance with the school's Records Management Policy and Data Protection Policy.

The school's records will:

- Record details of additional or different provision made under SEND support, with accurate information to evidence the SEND support that has been provided over the pupil's time in the school, as well as its impact, e.g. through the use of provision maps.
- Include details of SEND, outcomes, action, agreed support, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour and development of all pupils.
- Maintain an accurate and up-to-date register of the provision made for pupils with SEND.
- Be kept securely so that unauthorised persons do not have access to it, so far as reasonably practicable.

The school keeps data on the levels and types of need within the school and makes this available to the LA and Ofsted.

Confidentiality

The school will not disclose any EHC plan without the consent of the pupil's parents, except for specified purposes or in the interests of the pupil, such as disclosure:

- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
- On the order of any court for any criminal proceedings.
- For the purposes of investigations of maladministration under the Local Government Act 1974.
- To enable any authority to perform duties arising from the Disabled Persons (Services, Consultation and Representation) Act 1986, or from the Children Act 1989 relating to safeguarding and promoting the welfare of children.
- To Ofsted inspection teams as part of their inspections of schools and LAs.
- To any person in connection with the pupil's application for students with disabilities allowance in advance of taking up a place in HE.
- To the headteacher (or equivalent position) of the setting at which the pupil is intending to start their next phase of education.

The school will adhere to the Pupil Confidentiality Policy at all times.

17. Publishing information

The school will publish information on the school website about the implementation of this policy.

The information published will be updated **annually** and any changes to the information occurring during the year will be updated as soon as possible.

The SEN Information Report will be prepared by the SENDCO and agreed by the senior leadership team and the governing board and will be published on the school website. It will include all the information outlined in paragraphs 6.79 and 6.83 of the 'Special educational needs and disabilities code of practice: 0 to 25 years'.

18. Joint commissioning, planning and delivery

The school will work closely with local education, health and social care services to ensure pupils get the right support.

The school will assist the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

The school will draw on the wide range of local data sets about the likely educational needs of pupils with SEND to forecast future needs, including:

- Population and demographic data.
- Prevalence data for different kinds of SEND among children at the national level.
- Numbers of local children with EHC plans and their main needs.
- The numbers and types of settings locally that work with or educate pupils with SEND.
- An analysis of local challenges or sources of health inequalities.

The school will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for pupils with SEND.
- Increasing the identification of pupils with SEND prior to school entry.

Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

19. Local Offer

The school's governing board will collaborate with and support the LA in developing and reviewing the Local Offer, where necessary and appropriate, to ensure that it is:

- **Collaborative:** Where appropriate, the school will work with LAs, parents and pupils in developing and reviewing the Local Offer. The school will also cooperate with those providing services.
- **Accessible:** The school will collaborate with the LA during development and review to ensure that the LA's Local Offer is easy to understand, factual and jargon-free; is structured in a way that relates to pupils' and parents' needs, e.g. by broad age group or type of special educational provision; and is well-signposted and -publicised.
- **Comprehensive:** The school will help to ensure that parents and pupils understand what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The school will assist the LA in ensuring that the Local Offer

includes eligibility criteria for services, where relevant, and makes it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.

- **Up-to-date:** The school will work with the LA to review the Local Offer to ensure that, when parents and pupils access the Local Offer, the information is up-to-date.

The school will provide the LA with information about their existing SEND provision and capabilities to support pupils with SEND to aid in the drafting of the Local Offer, where required.

Leicestershire's Special Educational Needs and Disability Information Advice and Support Service (SENDIASS) provides free, impartial, confidential advice, support and options around educational issues for parents who have children with special educational needs or disabilities. Additionally, the local authority's offer for SEND can be accessed from the schools website or at <http://www.leicestershire.gov.uk/education-and-children/special-educational-needs-and-disability/about-the-local-offer>

20. Monitoring and review

The policy is reviewed on an annual basis by the headteacher in conjunction with the governing board; any changes made to this policy will be communicated to all members of staff, parents of pupils with SEND, and relevant stakeholders.

All members of staff are required to familiarise themselves with this policy as part of their induction programme.

The next scheduled review date for this policy is September 2024.
