

It's okay to be angry

When I'm angry I can...

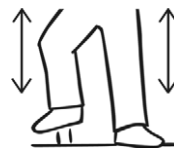

This will make me feel calm again.

Go for a walk

Scream into an
angry pillow

Stomp!

Star jumps

Go for a run

Take a
deep breath

Listen to a
favourite song

Go to the
sensory room

Ask for
a time out

Lie on
the bean bags

Watch TV

Have a
drink of water

Do some yoga

Talk
to someone

Draw a picture
