

St John the Baptist C of E Sport Premium

March 1, 2018

The School's Sports Premium figure for 2018-2019 is £20,180.

The funding is used at St John the Baptist to ensure impact against the following 5 key indicators:

- The engagement of ALL pupils in regular physical activity-kick starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- To increase confidence, knowledge and skills of all staff in teaching PE and sport
- To broaden experiences of a range of sports and activities offered to all pupils
- To increase participation in competitive sport

The table below demonstrates the projected spending of the Sports premium money allocated to St John the Baptist for the academic year 2018-19.

Provision	Provider	Focus of provision	Duration	Cohort target	Estimated Cost	Impact on Legacy
School Sport Partnership Membership (SSPAN)	Leicester City SSPAN	<ul style="list-style-type: none">• Competition entry fees• Reduced training costs• Festivals• Conferences• Links with other schools• Affiliations to competitions and access to coaching• Increase pupils' participation in the School Games• Provide existing staff with training or resources to help them teach PE and	1 Year	Whole School	£1650	<p>Maintain links with other schools and staff with the City Sports Partnership. Learning from other schools best practice as highlighted by City Sports staff.</p> <p>Attend conferences/meetings with the City Sports Partnership to ensure that St John the Baptist is up to speed with current developments in sporting education in Leicester.</p> <p>Competition provides children with a purpose for taking part in sport – learn social, communication, teamwork and leadership skills. Children are exposed to and become interested in a variety of different sports. This promotes lifelong active lifestyle.</p> <p>Citywide competitions enable our children to play against tough competitors and strive to increase their skills in that area.</p> <p>Reduced training costs enable us to up skill our</p>

		sport more effectively				current staff so that PE and Sport provision is of a high quality for all children in the school.
Staff Development Training	School Sport Coordinator, Level 5 Primary PE Specialist SSPAN Leicester Tigers Leicestershire CCC Plus other external Sports Consultants.	<ul style="list-style-type: none"> Continued Professional Development Qualified sports coaches to work with teachers and provide existing staff with training or resources to help them teach PE and sport more effectively 	1 Year	Whole School Identified staff	£12000	<p>All staff to have CPD. Areas for development identified through discussion with coach and P.E. knowledge audit. This CPD will boost confidence and understanding of health and safety in teaching PE/Sport so that the provision for our children is high quality throughout the school. In particular, being able to see an experienced coach working with a group of children is a valuable source of CPD, as you can see the theory in practice. Possible after school clubs could be developed if staff show interest.</p> <p>To embed skills and knowledge obtained through previous years' training and ensure a consistency in high quality PE teaching. To ensure that new staff receive training in line with that provided to existing staff.</p> <p>Where possible, staff recognized through P.E. audit to also be involved in PE CPD, such as gymnastics, cricket and few others. This has been identified as an area for development as staff are lacking in confidence in teaching specific sports. This CPD will boost confidence and understanding of health and safety in teaching gymnastics and teaching of a variety of sports, so that the provision for our children is high quality throughout the school. High quality coaching allows the children to develop new skills in a variety of different sports from a highly experienced, sport specific coach (es). The class teachers are present and so experience new games and ideas which adds to their Continued Professional Development in this</p>

						area. In particular, being able to see an experienced coach working with a group of children is a valuable source of CPD, as you can see the theory in practice.
Sports Coaches	In house sports coaches.	<ul style="list-style-type: none"> Continued Professional Development Provision of regular training for our Football teams (Boys and Girls). & Athletics training Increase pupils' participation in the School Games while supporting and involving the least active children in activities, events and competitions. Introduce new sports or activities and encourage more pupils to take up sport. 	1 Year Sessions to take place over the course of the year	Whole School	£700	School Sports Coach takes children to out of hours tournaments and leagues, providing an opportunity for the children to take part in competitive sport at a higher level. Sports coaches introduce new sports to school and children, providing new opportunities and sports for children to get involved in. Therefore increasing children's participation in sports activity through after-school clubs promoting a lifelong active lifestyle. New after school clubs to be subsidised to maintain and increase our provision and participation in sport for the younger children and children taking on new sports from the previous year. This will encourage children to take part in an active and healthy lifestyle from a younger age and promote more enthusiasm for PE as they progress through the school.
PE Curriculum Resources & Consumables	ESPO & Other companies supplying sports equipment and clothing.	<ul style="list-style-type: none"> Improving the resources available to children and staff to deliver high quality PE and Sport. Support and involving the least 	1 Year	Whole School	£4000	Participation certificates are given to all children during Sports events and activities and to children who attend festivals and matches. S Stickers are presented to participates during intra-school events relating to the School Game Values. All this promotes enthusiasm for taking part and gives the children positive reinforcement for doing physical activity. It also
