

Date of meeting—25th October 2022

Items discussed

Hello Sharing of actions	We all introduced ourselves. Rec and year 1—shared the photos from the dining room. Year 2 shared the interview responses with Jo, the school cook.
Conclusions	The school council thinks the school dinners are healthy. They think some of the packed lunches are healthy but some are unhealthy.
How can we help healthy eating	We are going to design and make some 'healthy lunch' stickers to be given out in the dining room to encourage healthy eating. Hot dinners will get one for eating their dinners including their vegetables. Packed lunches will have one for a healthy lunch.
Anti bullying week planning	The children have decided to run a competition for the school. To design an anti bullying poster—this will be introduced in the anti bullying assembly by the school council.
Date of next meeting	Week before Anti bullying week to work on the assembly
