

Over Terms 3 and 4, your child will be asked to select a minimum of 4 activities from the grid below, some of which will be related to areas being covered in school. If your child makes something, we would encourage them to bring it into school to show so that we can share and celebrate it with their class! Your child can record their homework in their book in whichever way they choose. Could you also please ensure that you write the date next to each activity when it has been completed.

Many thanks for supporting your child with their home learning.

<p>Make a model of a Fairground wheel. Is it able to stand up on its own?</p> 	<p>Write your own poem on a topic of your choice. Maybe you could illustrate it too!</p>	<p>Find out all of the different coins and notes that we have in England? What coins do you have at home? Can you find the total of 2ps, 5p etc?</p>	<p>Go on an adventure! It could be a stroll along the beach or a walk in the woods, or somewhere completely different! Then write about your adventure, making sure you use the correct punctuation in your sentences.</p>	<p>Choose an animal such as a chicken, frog or butterfly and create a labelled life cycle for it.</p> <p>Name: _____</p> 
<p>Every week, log on to Mathletics and complete the activity set.</p> <p>Mathletics</p>	<p>Create a superhero themed piece of artwork. You could look at the work of Roy Lichtenstein for inspiration.</p> 	<p>Create a fact sheet about Grace Darling. You could include information like who she was, where she lived and what she is famous for.</p> 	<p>Can you find China on a map? What human and physical features can be found in China?</p> 	<p>Practise counting in 2s, 5s and 10s. How high can you go?</p>
