## INTRODUCING BLACK HISTORY MONTH

### Black History Month

Black History Month takes place in **October** every year and is a **celebration of key figures and events in Black history**. Having begun in the USA, it has been celebrated in the UK since 1987, with the emphasis on celebrating particularly the history and contributions to society of people with an African or Caribbean heritage.

There is a different theme every year, for example in 2021 the theme 'Proud to Be', aimed to recognise the achievements and contributions that Black people make to the UK every day. The 2022 theme, Time for Change: Action Not Words highlights the importance of being an ally and coming together around shared common goals to achieve a better world for everyone.
