Children should be able to order the months in a year. They should be able to apply these facts to questions – what day comes after 30th April?

Top Tips

- *The key to success is practising little and often.
- *Can you practise these KIRFs while walking to school or on a car journey?
- *If you have a new calendar, your child could be responsible for recording the birthdays of friends and family on it. How many weeks until the summer holidays? How many days until your birthday? What day is Christmas Day on this year?
