Autumn MENU
Week 1

At Sacred Heart this week

3F's Collective Worship celebrated Mental Health Day and focused on how we can all look after our wellbeing.

We can do this in many ways; by the power of prayer, getting lots of sleep, exercising, using breathing techniques, talking to others when we are sad or worried and by carrying out small acts of kindness.

Thank you, Mrs Ford, and 3F for sharing these important messages with us.

Year 6 Residential

Many of our Year 6 pupils have just returned from their three-day trip to PGL in Liddington. They had an amazing time, challenging themselves with adventurous tasks and activities; working together in teams and cheering each other on. They have created memories that will stay with them for many years to come and were a credit to themselves, their parents and the school.

We would like to thank all the staff who accompanied them, leaving their own families, to ensure that these children had a wonderful time.

One World October

Today we had a celebration assembly to culminate our learning during One World October.

During this month children have been learning about musicians, artists, poets, authors and important figures from around the world. Children have prepared speeches, using artefacts or stories, to talk about their culture, or other cultures they are interested in.

Some children shared these speeches with us in assembly today. Well done to all the children who contributed to the assembly.

We can learn so much from each other and our differences are what makes our world, and our school, a special place.

What a wonderful way to end this half term.

Wishing you a lovely weekend and half term.

Miss Morahan and Mrs Stockwell

This webinar is for parents, professionals and supporters who have (or think they may have) an autistic girl, whether diagnosed or not.

7:00 - 9:00 pm

Where: Online via Zoom
