

# Home learning- The Tudors & Space

## Create a Solar System

### Model

- Make a 3D model using recycled materials, clay, Lego, or drawings.
- Include planet names, order from the Sun, and perhaps a fact for each planet
- *Challenge:* Add relative sizes or distances.

## Astronaut Survival Guide

Design a guide explaining:

- What astronauts need to survive in space
- How they eat, sleep, and exercise

Can be presented as a booklet, poster, or mini slideshow.

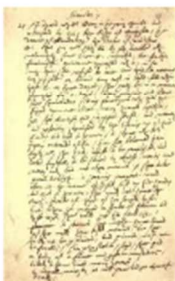

## Space News Report

- Write and present a news report about an actual space event (e.g moon landing or new planet discovered)

## Diary Entry

- Write a Diary Entry as a child/ significant person from the Tudor period
- Include details about daily life, food, school/work/ clothes

## Henry VIII Portrait

- Create your own Henry VIII portrait
- Explain why you portrayed him the way you did, and identify the specific techniques you used in your portrait to convey that portrayal.

## Tudor Fact File

- Choose someone you have learned about from the Tudor period and create a fact file on them.
