

# **GCSE-YEAR 11**

## **PROJECT-DRAWING SKILLS**

### **BOOK 1**

**MISS HAYES**

Drawing skills - Below are examples of mark making techniques - use the following page to draw them out and have a go. Mark making can add a lot of detail to your drawings.

Can you think of any more?  
Draw an example and give it  
a name!

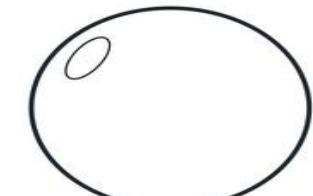

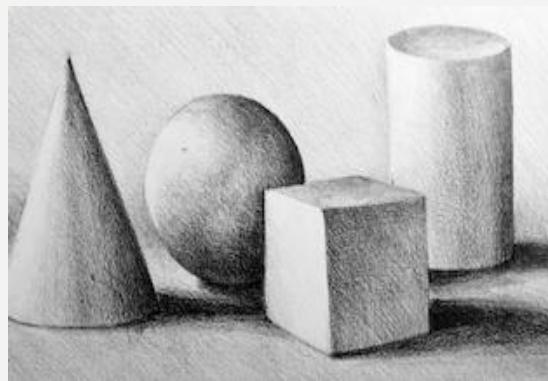

**Use pen or pencil**

--	--	--	--

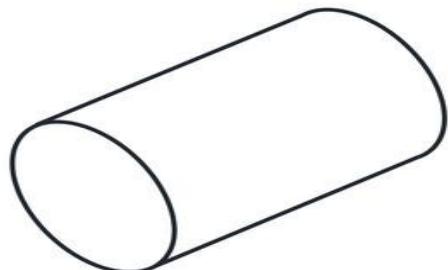

--	--	--	--

--	--	--	--

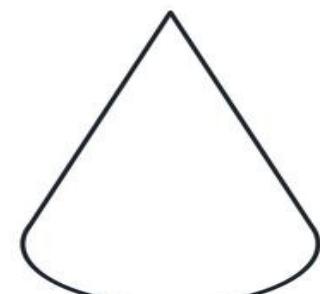

Now that you have practised your mark making techniques - Add them to the following sheets -  
I've put an example on for you.

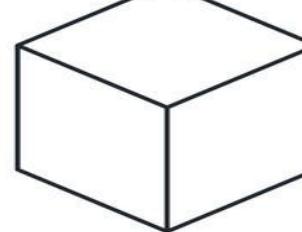

Sphere

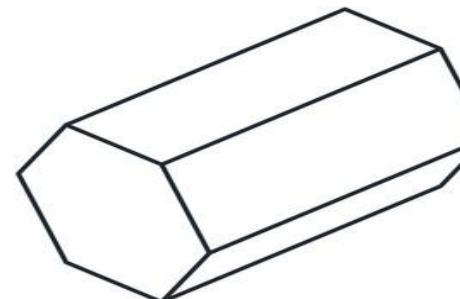

Cylinder

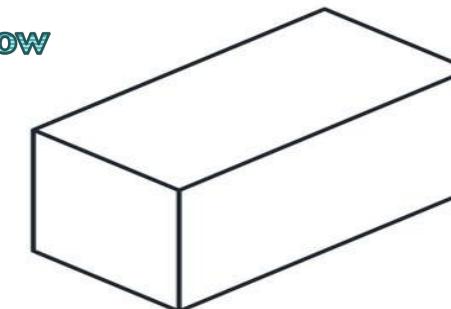

Cone

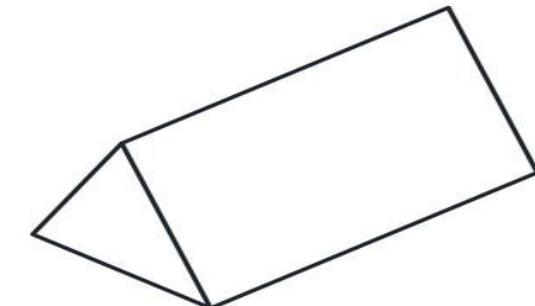

Cube

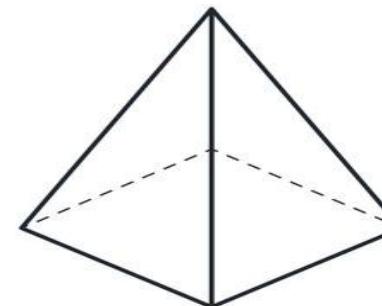

Hexagonal prism

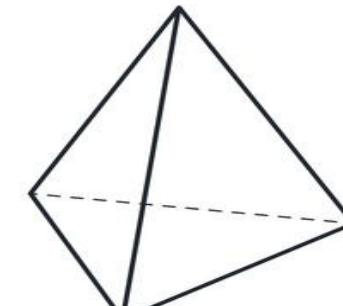

Cuboid

Triangular prism

Square-based pyramid

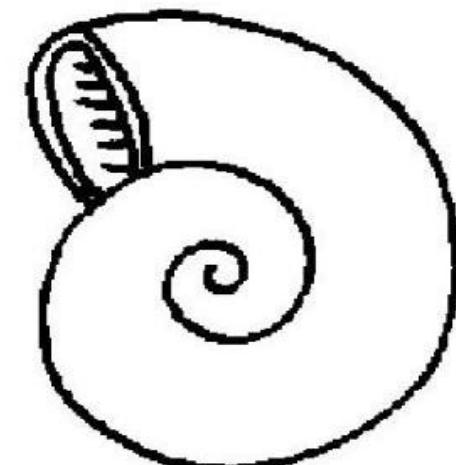

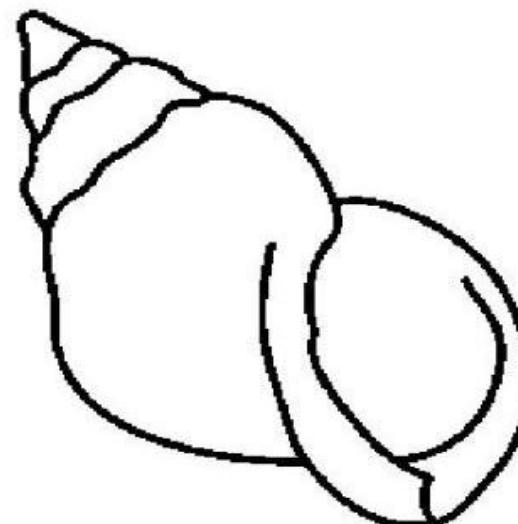

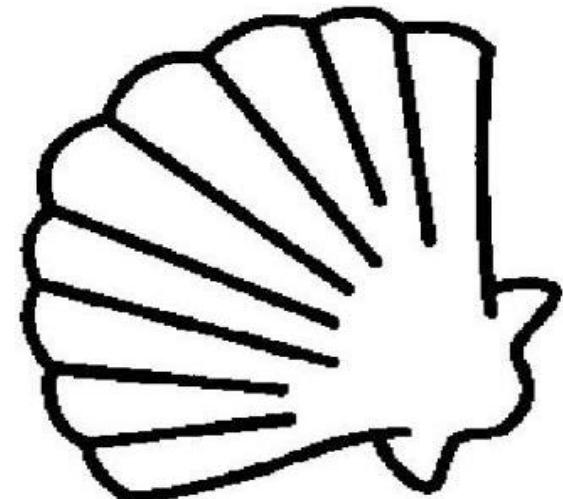

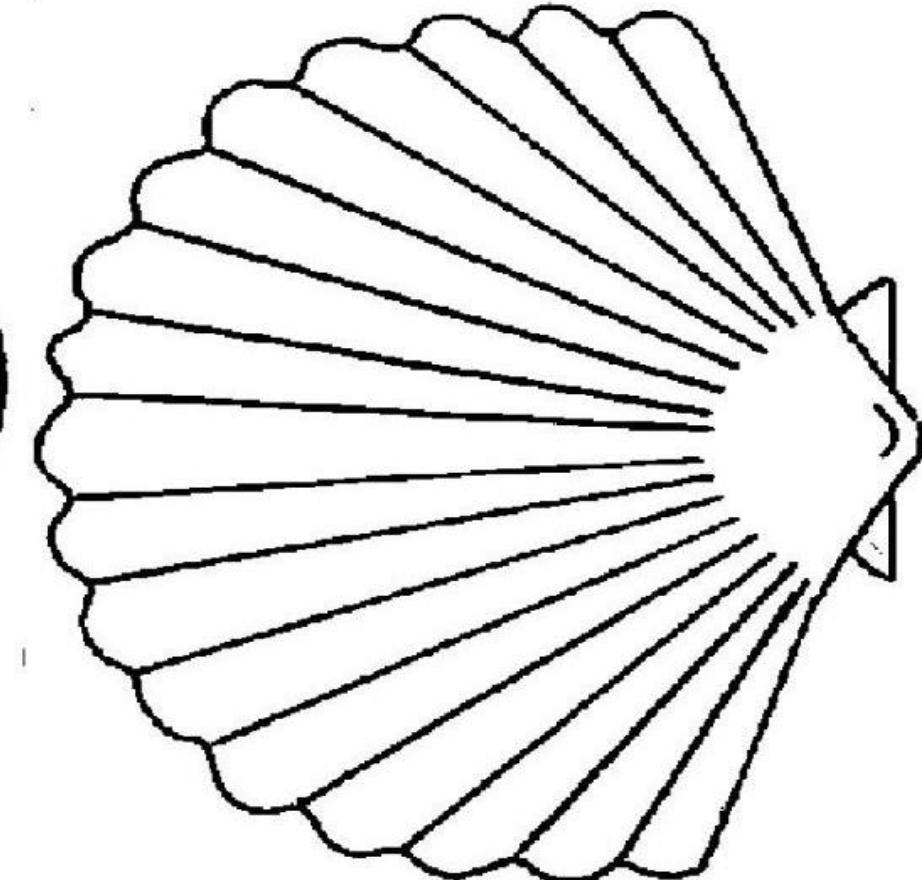

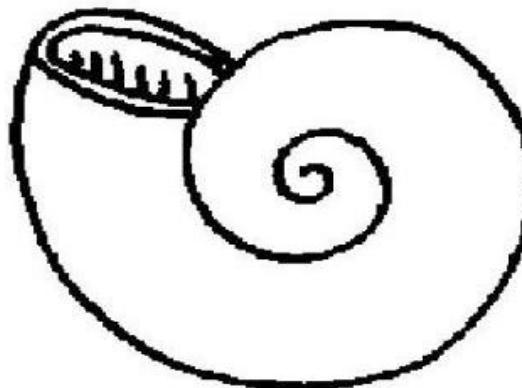

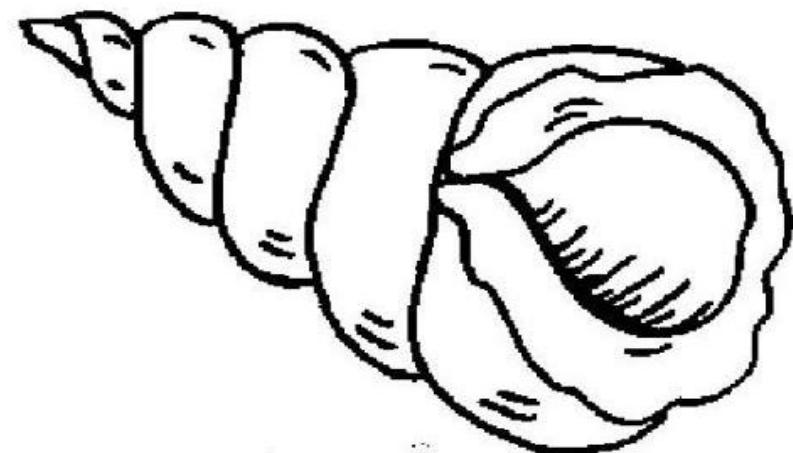

Triangular-based pyramid

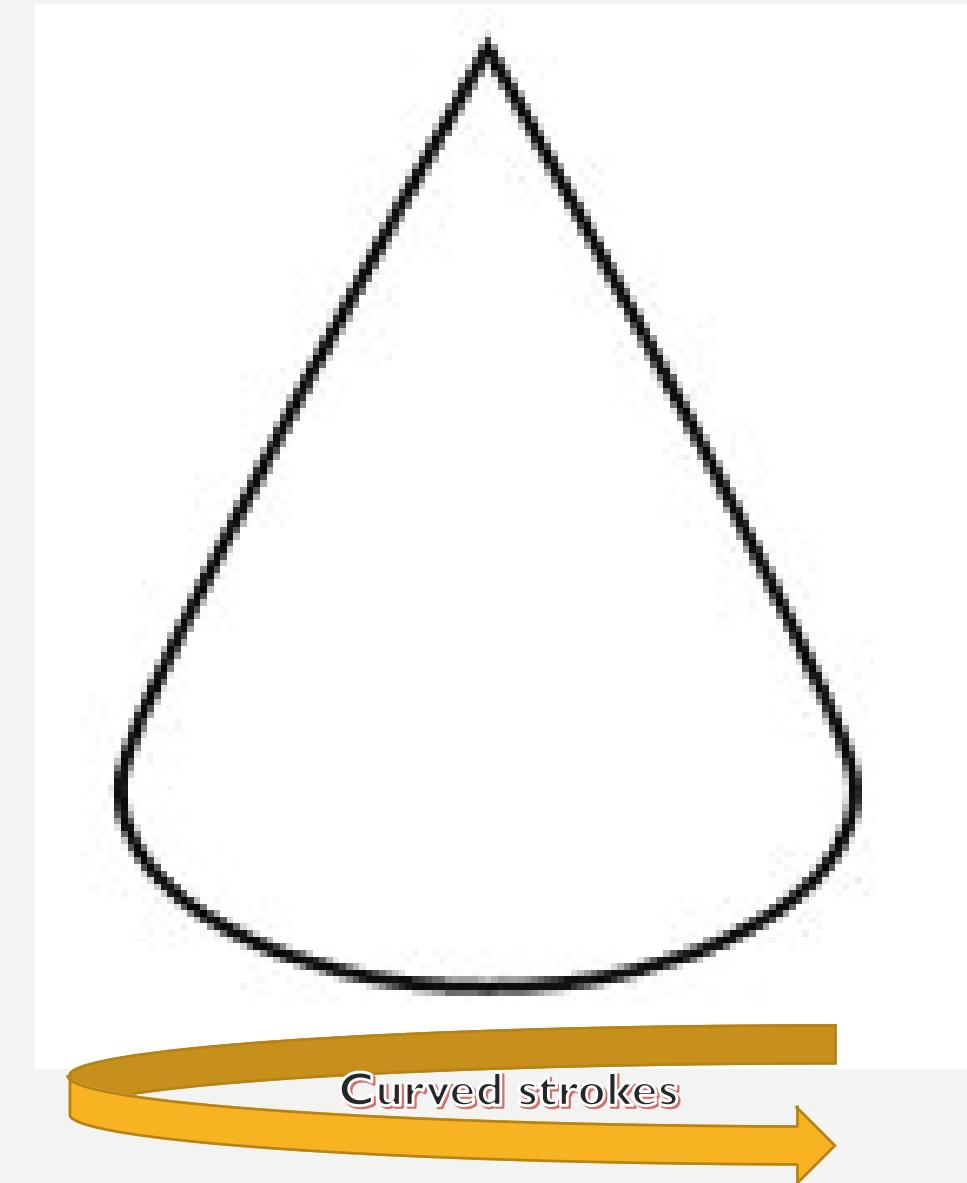

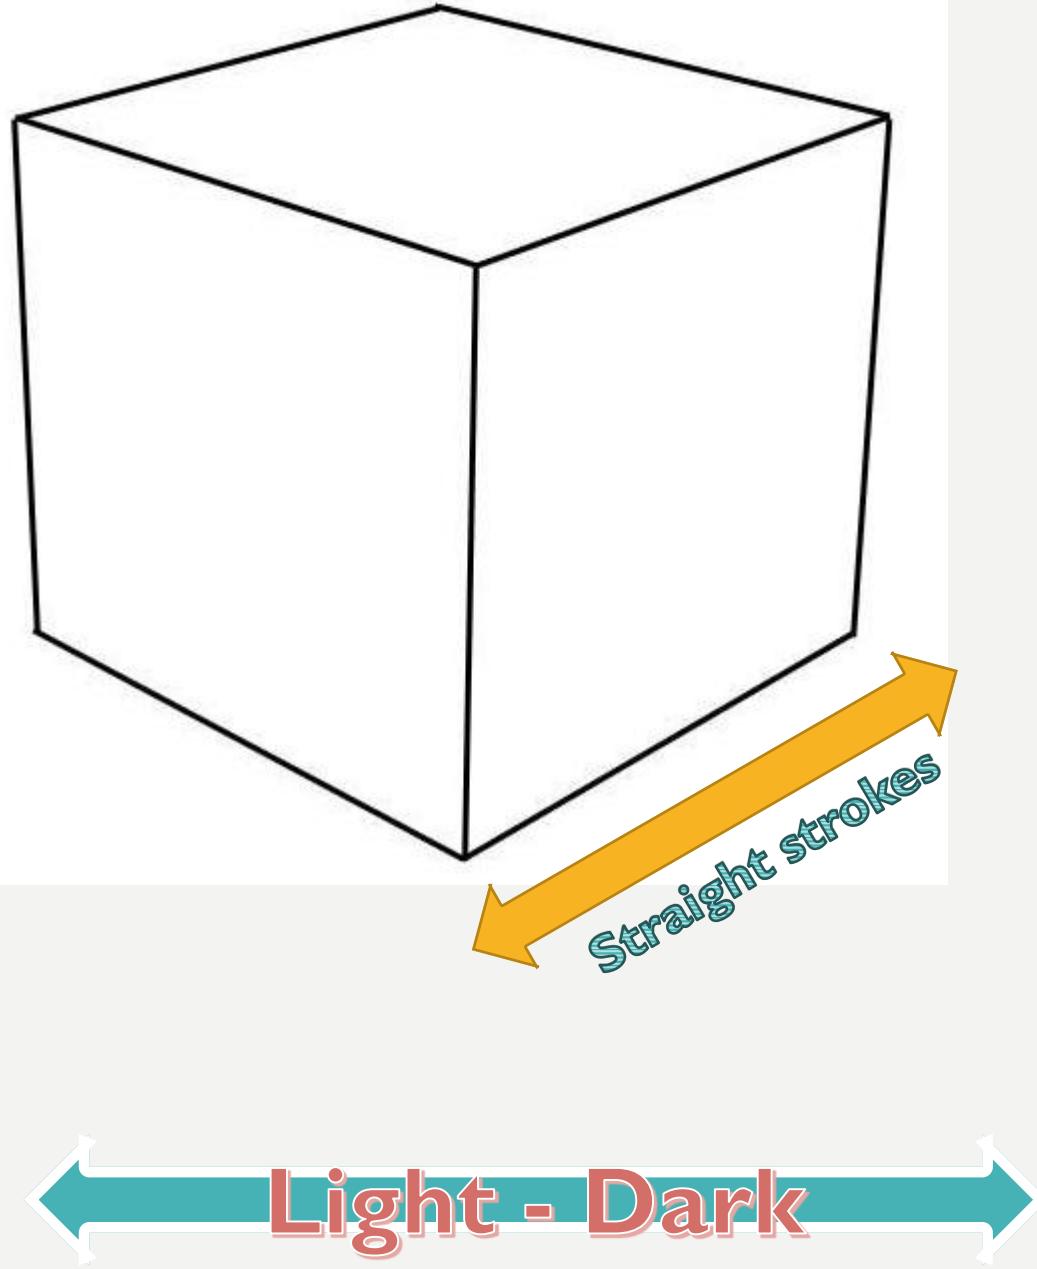

**Remember shade, tone & shadow**

Can you draw out some similar shapes to these and practice on using a variety of mark making.  
(If you have a tablet – you could trace some shapes.)

## Practice direction of drawing

With all the information and practice on drawing skills you can now sit and choose something to draw in your house - Add the different mark making techniques and be proud of your work and achievements! Examples below.....
