NEWSLETTER

Dear Parents and Carers,

We hope everyone had a wonderful and restful half-term break. It's been lovely to see the children return refreshed, full of energy, and ready for a busy, festive term ahead.

A huge **thank you** goes to our amazing **PTFA Firework Committee** for organising such a phenomenal **Fireworks Night** on the 5th of November. What a fantastic evening it was! Families enjoyed a spectacular display, delicious food, great music, and a wonderful sense of togetherness. Events like these remind us what a special school community we have. We are also proud to share that the event raised valuable funds for both our school and Acorn- a brilliant achievement that will make a real difference.

This week we were delighted to welcome back **Alex Mack**, who returned to school to follow up on our **Waste Management Day**. Alex worked with the children to help us think more carefully about how we can all reduce, reuse, and recycle. Since then, our **School Council** has been busy designing colourful posters, leading an assembly, and helping to sort and label the new recycling bins around school. Their enthusiasm has really helped to spread the message and encourage everyone to take responsibility for looking after our environment. A big **thank you to Mrs Hill** for coordinating this important work and supporting our pupils to become more environmentally aware citizens.

The hard work of the PTFA makes an extraordinary difference to the experiences and resources we are able to provide for your child. They are seeking a new treasurer to be able to continue running. Can you help? Please contact **christowptfa@gmail.com**. Everyone is welcome to the PTFA AGM- Wednesday 12th November at the school hall. Let's keep the PTFA thriving — for our children, our school, and our community!

Wishing you a wonderful weekend

Tackling Waste Management

Once again, the class representatives in our school impressed us with their commitment towards improving our school for all. This time we continued our waste management mission! After Alex Mack's ('Resources Future') recent waste audit, we all knew we had much to do to cut our school's waste. So, on Tuesday, we set about making posters and creating an assembly to educate everyone on how we can better reduce, reuse and recycle at Christow.

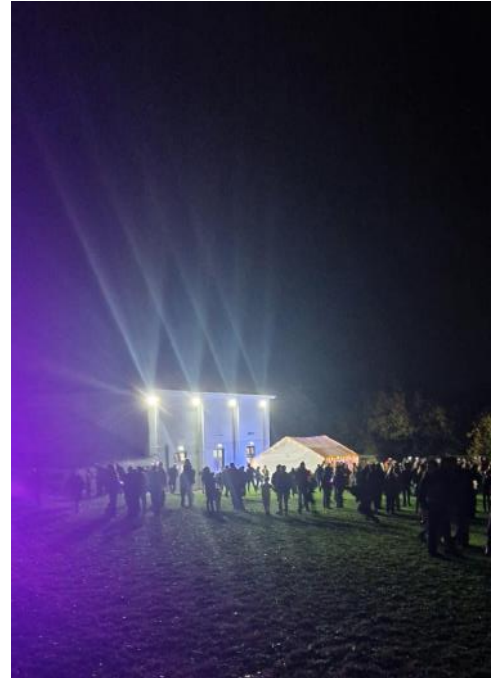

Our bins are now labelled around the school, and we have extra bins in the hall and on the playground to help us with recycling at lunchtime. We are now collecting soft plastics (crisp packets, bar wrappers, etc) to reduce our general waste.

If you are willing to volunteer to be on a rota to take our soft plastics to a supermarket for recycling, please let Mrs Hill know. We really need everyone's help! After all, as Albert Einstein once said, 'We cannot solve our problems with the same thinking we used when we created them.'

Teign Valley Fireworks!

A huge thank you to everyone who helped organise this wonderful community event, including Oli, Tristan, Ben D, Chris R, Paul H and Lachlan and to all those who supported on the night. We are incredibly grateful for your efforts and for the funds raised, which will help us enrich our curriculum offer and create lasting memories for every child at Christow Primary School.

PTFA Treasurer Needed

Our PTFA makes amazing things happen — from the fantastic Fireworks Night on Wednesday to all the extras that make school life special for our children.

To keep it all running, we now need a new Treasurer to join the team.

You'll be fully supported by the current committee, and it's a rewarding role that can easily fit around family life.

If you're organised, like being part of school life, and want to make a real difference, please contact **christowptfa@gmail.com** or speak to one of the PTFA team.

Everyone is welcome to the AGM- Wednesday 12th November at the school hall. Let's keep the PTFA thriving — for our children, our school, and our community!
