Autumn MENU
Week 2

At Sacred Heart this week

Our week began with a reflection on the Feast of Christ the King. We were reminded that God wants us to open our hearts to others. With this in mind children and staff were asked to consider making a card to give to a neighbour (children to deliver a card with an adult), particularly someone who may be on their own. It has been lovely to hear from many children who have already made and delivered a card this week. 'Make a card, make a difference' is a simple idea but could really brighten someone's day. Maybe you could consider it this weekend with your child.

6D's collective worship reminded us that Advent begins this weekend and is a time of preparation before we welcome Jesus at Christmas.

Thank you to the children and Miss Decruz for this chance to reflect on what we can do to prepare ourselves and also to help others in the weeks leading up to Christmas.

STEM workshop - On Monday Year 4 had a visit from the RAF to lead a STEM workshop. The children enjoyed the challenge of making bridges, using a variety of skills to create their end product which each group then presented to their classmates. Thank you to the Bates family for leading this for us.

Year 5 Narnia Day - On Thursday, Year 5 were transported to the mystical world of Narnia. The whole day was a culmination and celebration of their study of this wonderful series of books. What a sight to have lions parading through our school, with a number of White Witches and evil queens alongside! Thank you to the Year 5 staff for preparing the wonderful activities for the children and to the parent helpers who came in to support.

Sporting Events - Well done to all the children who have represented the school this week at netball and football. It was great to see your team work and enjoyment of representing Sacred Heart School (see separate reports).

Christmas Cracker - Thank you to our PTA for organising such a fantastic Christmas Cracker today. Their hard work, creativity and dedication brought so much joy to our school. We are incredibly grateful for the time and effort so many parent volunteers put into making this event a great success. Thank you to all our parents for supporting this event. Your generosity, helped make the event a wonderful success and funds will help to support the provision of a range of activities and resources in the school.

A reminder to keep checking the Christmas dates list and year group newsletters as we enter a busy time of year.

School Uniform Policy Reminder Hair should be tied back **and plaited.**

Wishing you a lovely weekend.
Miss Morahan and Mrs Stockwell

SPORTS NOTICES:

Hillingdon Borough Finals & Netball Fixture & Wealdstone Boys Football

Our boys and girls both qualified and competed on Thursday at the Hillingdon Borough Finals, where the top 10 best teams around the borough come together to compete. I'm honestly so proud of both boys and girls who represented Sacred Heart with great leadership, kindness and honour. I am so proud of them.

Hillingdon Borough Finals:

Boys: The boys' tournament was very tough; all teams were solid and we battled really hard every game! Unfortunately, it was not our day but I know deep down the boys will learn from this and come back stronger and ready for our big final in 2026.

Hillingdon Borough Finals:

Girls: The girls' tournament was also very tough, all teams were solid and honestly we were absolutely fantastic. We came 1st in our group not losing a game, but unfortunately a penalty shoot out denied us a final. However, coming 3rd today was absolutely fantastic, and I am a very proud coach!

Netball Friendly vs Glebe:

Netball: The girls competed in their first netball match as a squad. The team spirit and positive moral was brilliant. We will learn from the games and get better and better during the year! Very proud of you all.

Wealdstone Tournament:

With one team competing on Thursday morning, another group of fabulous football players went out in the afternoon to compete in a 6 aside tournament. With only losing 1 game, drawing 3 and winning 2, goal difference played a part and we didn't make it into the next round! They all played really well and showed lots of brilliant determination and brilliant football. A huge massive thank you to Ms Stockwell for taking the boys to play and being a great leader!

I can honestly say that the boys and girls on Thursday have made me really proud! Thank you to all parents for taking time to bring your amazing children to showcase their talent. Really does show how amazing our school really is.

Mr Newman, PSD Coach

NOTICES:

Parking at drop off and pick up

We are concerned to hear of adults leaving their cars in areas of the rugby club car park that are not designated for parking. Please consider everyone's safety when you are dropping off and picking up. This could save a child's life.

Packed Lunch Reminder:

Please be reminded there is a **no nuts or grapes** policy in school.

Sacred Heart Parish Christmas Fair

Can you spare a half an hour/ hour to help at the church fair tomorrow (Saturday 29th)? Extra pairs of hands would be very much appreciated by our PTA who are running the children's games area?

Grandparents and Senior Citizens—Tea and Carols

Please note that Reception and Year 2 children will be singing songs at this event, as well as children who are in the Year 4 and 5 choir.

Safeguarding

The wellbeing of our children is of paramount importance to all staff. Should any person (parent or staff) have a concern regarding a child's wellbeing, please inform one of the school's designated safeguarding team (Miss. Morahan, Mrs. Stockwell, Mr Wright or our Designated Safeguarding Governor, Mrs Wloch). In cases where school staff have concerns, they have a duty to discuss the issue with Social Services to seek further advice. This is the statutory obligation of all schools.
