

## Science Curriculum Map

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>Nursery</b>	Development of early Science skills in Understanding of the world. Use all their senses in hands on exploration of natural materials		Development of early Science skills in Understanding of the world. Explore collections of materials with similar and/or different properties. Plant seeds and care for growing plants. Understand the key features of the life cycle of a plant and an animal.		Development of early Science skills in Understanding of the world. Talk about the differences between materials and changes they notice. Explore and talk about different forces they can feel.	
<b>Reception</b>	Development of early Science skills in Understanding of the world. Seasonal changes.		Development of early Science skills in Understanding of the world. Seasonal changes.		Development of early Science skills in Understanding of the world. Changing States of Matter.	
<b>Year 1</b>	Plants and Seasons		Animals including humans		Materials	
<b>Year 2</b>	Materials		Living things and their habitats		Plants and Animals	
<b>Year 3</b>	Animals including humans	Rocks and soils	Plants		Light	Forces and Magnets
<b>Year 4</b>	Animals including humans	Sounds	States of Matter		Electricity	Living things and their habitats
<b>Year 5</b>	Materials	Forces	Earth and Space		Living Things and their Habitats	Animals including humans
<b>Year 6</b>	Animals including humans	Light	Evolution and Inheritance		Electricity	Living things and their habitats
