Select and use activities and resources, with help when needed. This helps them to achieve a goal they have chosen, or one which is suggested to them. • Develop their sense of responsibility and membership of a community. • Become more outgoing with unfamiliar people, in the safe context of their setting. • Show more confidence in new social situations. • Play with one or more other children, extending and elaborating play ideas. • Find solutions to conflicts and rivalries. For example, accepting that not everyone can be Spider-Man in the game, and suggesting other ideas. • Increasingly follow rules, understanding why they are important. • Remember rules without needing an adult to remind them. • Develop appropriate ways of being assertive. • Talk with others to solve conflicts. • Talk about their feelings using words like 'happy', 'sad', 'angry' or 'worried'. • Understand gradually how others might be feeling. • Be increasingly independent in meeting their own care needs, e.g. brushing teeth, using the toilet, washing and drying their hands thoroughly. • Make healthy choices about food, drink, activity and toothbrushing.
