We need help!

The Belvoirdale ***Friends and Family*** are a group of parent volunteers who give their time to raise money for the children of our school. They have brought playground equipment, theatre lights and staging for the hall, items for the sensory garden as well as providing gifts and support for school trips and events. The financial contributions are in access of £10,000 over recent years. These events and contributions cannot continue without further volunteers and support. Meetings are held once a term with Mr Dax and despite Mr Dax's appalling jokes, the friendship and laughs are a great relief and delight to me as the headteacher of our great school. PLEASE COME and join us so that we can plan our next major event for the children which is the Christmas fair. rdax@belvoirdale.leics.sch.uk ***Richard Dax***

Revive Support Group

How sad it has been to hear of the demise of the REVIVE Parent Support Group based at The New Life Church. Laura Wydell has been a great servant to the Coalville community helping families and children with their learning needs and we shall miss this wonderful lady and her support group. Laura has kindly donated many sensory items to support the SEND needs of children at Belvoirdale and will be forever in your debt.

Thank you for the donations of food for our harvest table. The Foodbank will collect the food tomorrow (Friday) and then write to tell me how much has been collected. Belvoirdale is proud to support the Coalville Community.
