

# Reaching Wider **LEARN TO DRAW**

## £ FREE COURSE

This 8 week drawing class is suitable for anyone aged over 18 who wants to develop their figure drawing skills. The course will be taught by Nick Price, a highly respected, experienced lecturer who has taught at numerous universities.

He will teach techniques enabling you to gain a greater understanding of drawing structure, proportions and anatomy. As the course progresses you will improve your mark making skills as you explore how to draw hands, feet, faces, portraiture, and full figure forms.

The course is open to people aged over 18 who do not already have a degree qualification.
