My time at KCC: 2017-2019

My journey since leaving KCC:

I moved to KCC for Sixth Form after living in the midlands, which was a big change for me. The staff and students at the school were very welcoming and really helped to increase my confidence after such a big move. I've made some friends for life from KCC, and am grateful for my time here. I enjoyed all my classes, and expanded my passion for writing and music here. The teachers were excellent, the lessons engaging and fun, and I felt well prepared for university.

My job is:

I work at South Hams Newspapers as a **Journalist**, researching and reporting on local stories and writing articles for the paper.

I chose this career because:

I have always loved writing, and wanted to gain some experience in the Journalism sector.

The best thing about my job is:

Experiencing the community. I've learnt so much already about a town I've been a part of for over five years, and I am amazed at the richness of community spirit in Kingsbridge and the surrounding areas. I also love the variation I get to experience every day in my role.

My advice is:

Don't be afraid of failure – it's how you learn. Work hard and don't worry too much about the future, as long as you put in the effort you can be anything you want to be. The future is never as scary as you think it's going to be.
