

## Abbey Park Primary School Board of Governors

### Letter to parents Autumn Term 2025

Dear Parents,

On behalf of the Board of Governors of Abbey Park Primary School I would like to welcome you to a new school year. And it is more than just a new school year, it is a school with a new structure, a new name, and a new uniform - the children look wonderful in them! - though at the heart the vision, ethos and achievements of the school remains the same.

A lot of work has been done this summer to improve the school buildings and grounds, partly to reflect our new structure without a middle school, I am sure that you and your children will be impressed with all the changes. Having it ready for the new school year is thanks to a lot of hard work by a large number of people, and the staff and leadership of the school deserve a lot of praise.

Part of the role of school governors is ensuring that the school is meeting its goals and providing a quality education, as well as ensuring that it remains financially secure and has a strategic vision. This year we will be closely supporting the school operating as a primary school, ensuring that students are still catered for well in Year 7, and looking at the changes in the Early Years Foundation Stage.

Thank you all for your support of the school, we hope that your children have a happy and successful year.

Best wishes,

Ian Forster  
Vice Chair of Governors
