Dear Parent/ Carer,

As part of some of the changes we are making to our school procedures in response to the Covid-19 virus, there will be an alteration to the school uniform policy to enable PE lessons to still be delivered to all pupils from September. These changes are only planned for Autumn term (September to December) however they will be continually reviewed as part of our on-going risk assessments to match any changes in guidance. Please read the key changes below so that you understand what is expected from September when we welcome all pupils back to school. If you have any questions or need support with getting a PE kit for your child, please email PE@ecfschools.org.uk for more information.

PE Changing Policy- Autumn 2020

From September 2020, on the 2 days per week that your child has a PE lesson, we would like you to send your child to school wearing their PE kit, which they will then keep on all day. This change has been made in order to:

- 1) Remove the need for pupils to gather and get changed in the smaller changing spaces
- 2) Remove the need for pupils to use shared areas for changing
- 3) Enable pupils to still wear clothing that is comfortable and safe for their PE lessons

On any day when your child does not have a PE lesson, they will be expected to wear their normal school uniform following the usual policy. On PE days when they are expected to wear PE kit, this kit **MUST** follow the PE policy guidelines (stated below) and only the school PE kit should be worn, not non-uniform or any club sports wear (no football kits etc.). ***Pupils should wear their school jumpers on ALL days, even when they are wearing PE kit- their jumper should be worn over their PE t-shirt or polo shirt.***
