

PE and Sports Premium Funding 2019 - 2020

Following the success of the London 2012 Olympic and Paralympic Games, the Government wanted to inspire the nation to enjoy sport and promote sports in schools. They were determined to secure a significant and lasting legacy from the Games and develop an enjoyment of sport and physical activity, promoting a healthy lifestyle in children from an early age.

Every state funded school in the country with primary aged pupils has received additional funding for sport and physical education in the academic years since 2013/14 to improve PE and Sport Provision.

Throughout the academic year, we use the PE premium to benefit the children's health and well-being and to give them access to high quality teaching and learning of PE and sports.
