Legislation and statutory guidance

- This policy is based on the Department for Education's statutory guidance Keeping Children Safe in Education (2026) and Working Together to Safeguard Children (2026), and the www.gov.uk/guidance/-governance-inacademy-trusts We comply with this guidance and the arrangements agreed and published by our 3 local safeguarding partners.

This policy is also based on the following legislation:

- Part 3 of the schedule to the Education (Independent School Standards) Regulations 2014, which places a duty on academies and independent schools to safeguard and promote the welfare of students at the school
- The Children Act 1989 (and 2004 amendment), which provides a framework for the care and protection of children
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the Serious Crime Act 2015, which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- Statutory guidance on FGM, which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- The Rehabilitation of Offenders Act 1974, which outlines when people with criminal convictions can work with children
- Schedule 4 of the Safeguarding Vulnerable Groups Act 2006, which defines what 'regulated activity' is in relation to children
- Statutory guidance on the Prevent duty, which explains schools' duties under the Counterterrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism
- The Human Rights Act 1998, which explains that being subjected to harassment, violence and/or abuse, including that of a sexual nature, may breach any or all the rights which apply to individuals under the European Convention on Human Rights (ECHR)
- The Equality Act 2010, which makes it unlawful to discriminate against people regarding protected characteristics (including disability, sex, sexual orientation, gender reassignment and race). This means our Trustees and headteacher should carefully consider how they are supporting their students with regard to these characteristics. The Act allows our School/Academy to take positive action to deal with particular disadvantages affecting students (where we can show it's proportionate). This includes making reasonable adjustments for disabled students. For example, it could include taking positive action to support girls where there's evidence that they're being disproportionately subjected to sexual violence or harassment
- The Public Sector Equality Duty (PSED), which explains that we must have due regard to eliminating unlawful discrimination, harassment and victimisation. The PSED helps us to focus on key issues of concern and how to improve student outcomes. Some students may be more at risk of harm from issues such as sexual violence; homophobic, biphobic or transphobic bullying; or racial discrimination
- Working Together to Improve School Attendance, working together to improve school attendance 2024.

1. Purpose and Aims

- 1.1 Our policy applies to all staff, governors and volunteers working in the school and takes into account statutory guidance provided by the Department for Education and local guidance issued by the Leicestershire Safeguarding Children Partnership.
- 1.2 We will ensure that all parents/carers are made aware of our responsibilities regarding child protection procedures and how we will safeguard and promote the welfare of their children through the publication of this school child protection policy. These duties and responsibilities, as set out within the Education Act 2002 sec175 and 157, DfE Statutory Guidance Keeping Children Safe in Education 2026 and HM Working Together to Safeguard Children 2026 are incorporated into this policy.
- 1.3 The school aims to ensure that:
 - Appropriate action is taken in a timely manner to safeguard and promote children's welfare
 - All staff are aware of their statutory responsibilities with respect to safeguarding
 - Staff are properly trained in recognising and reporting safeguarding issues

2. Child Protection and Safeguarding Statement

- 2.1 We recognise our moral and statutory responsibility to safeguard and promote the welfare of all pupils. We will endeavour to provide a safe and welcoming environment where children are respected and valued. We will be alert to the signs of abuse, neglect and exploitation and follow our procedures to ensure that children receive effective support, protection, and justice.
- 2.2 The procedures contained in this policy apply to all staff, supply staff, volunteers, and governors and are consistent with those Leicester and the Leicestershire and Rutland Safeguarding Children Partnerships.

3. Maintaining a child centred and coordinated approach to safeguarding:

- 3.1 Everyone who works at this school understands they are an important part of the wider safeguarding system for children and accepts safeguarding and promoting the welfare of children is everyone's responsibility and everyone who comes into contact with children and their families has a role to play. To fulfil this responsibility effectively, all our staff, including supply staff and volunteers will ensure their approach is child-centred and will be supported to consider, always, what is in the best interests of the child.
- 3.2 We recognise no single practitioner can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information, and taking prompt action.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 3.3 **Safeguarding children is defined as:** The actions we take to promote the welfare of children and protect them from harm are everyone's responsibility. Everyone who comes into contact with children and families has a role to play.

4. Safeguarding and promoting the welfare of children

4.1 Defined as:

- Providing help and support to meet the needs of children as soon as problems emerge.
- Protecting children from maltreatment, whether that is within or outside the home, including online.
 - Preventing the impairment of children's mental and physical health or development.
 - Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
 - Taking action to enable all children to have the best outcomes.
- **NB Definition:** Children includes everyone under the age of 18.

5. Whole school approach to safeguarding:

- 5.1 We understand the importance every member of our staff has through their contact with children in and outside of our school environment and the particular importance of the roles and relationships they have which places them in a position to identify concerns early, provide help for children and promote children's welfare and prevent concerns from escalating.
- 5.2 As a school we have a responsibility to provide a safe environment in which children can learn.
- 5.3 We will make every effort to identify children who may benefit from early help and put in place support as soon as a problem emerges at any point in a child's life.
- 5.4 **Any staff member** who has **any** concerns about a child's welfare should follow the processes set out in this child protection policy and raise concerns with the designated safeguarding lead or deputy without delay.
- 5.5 All our staff should expect to support social workers and other agencies following any referral, especially if they were involved in being alert to or receiving a disclosure of risk, harm or abuse or harassment from a child.
- 5.6 Our senior designated safeguarding lead will provide support to staff to carry out their safeguarding duties and who will liaise closely with other services such as children's social care, police, family help, and health where required, as the designated safeguarding lead (and any deputies) are most likely to have a complete safeguarding picture and be the most appropriate person to advise on the response to safeguarding concerns.

6. Safeguarding is not just about protecting children from deliberate harm. It also relates to the broader aspects of care and education including:

- Pupils' health and safety and emotional well-being, and their mental and physical health or development.
- Meeting the needs of children with special educational needs and/or disabilities.
- Meeting the legal duties on the school under the Equality act: will not unlawfully, discriminate against pupils or students based protected characteristics; we will carefully consider how we support pupils/students regarding particular protected characteristics; we will take positive action to deal with particular disadvantages affecting pupils or students (*as see KCSiE paragraphs 86-89*)

- The use of reasonable force.
- Meeting the needs of children with medical conditions.
- Providing first aid.
- Educational visits and off- site education.
- Alternative Provision placements

7.2 All our staff and volunteers are aware of the indicators of abuse, neglect and exploitation and Modern slavery, know what to look for is vital for the early identification so that support can be put in place. Our staff and volunteers are

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

also aware of the specific safeguarding issues that indicate or inform of concerns or incidents linked to child criminal exploitation and child sexual exploitation and know to report concerns directly to the designated safeguarding or a member of the senior leadership team should the designated safeguarding lead not be available for children who may be in need of help or protection.

- 7.3 Our staff recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, exploited or a victim of modern slavery they may not recognise their experiences as harmful. Children may also feel embarrassed, humiliated, or could be being threatened not to tell, so not feel able to share what is happening to them. Alternatively, we recognise children may not want to make a disclosure or talk about what is happening due to their vulnerability, disability and/or sexual orientation or language barriers. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child and agree a way forward to support the child and determine how best to build trusted relationships with children and young people which facilitate good opportunities for communication.
- 7.4 **All staff** should **always** speak to the designated safeguarding lead, or deputy at the earliest opportunity.
- 7.5 As a school we are aware that abuse, neglect, and safeguarding issues are rarely standalone events and cannot be covered by one definition or one label alone. In most cases, multiple issues will overlap with one another, therefore all staff should always be vigilant and always raise any concerns with the designated safeguarding lead (or deputy).
- 7.6 **All** staff should be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside of our school environment.
- 7.7 All our staff have received information and training regarding the risks that can take place outside the child's family. This is known as extra-familial harm which can take on a variety of different forms and children can be vulnerable multiple harms including (but not limited to) sexual abuse (including harassment and exploitation), domestic abuse in their own intimate relationships (teenage relationship abuse - including physical, sexual, emotional abuse, and stalking), criminal exploitation (including financial exploitation), serious youth violence, county lines, financial exploitation and radicalisation.
- 7.8 Our staff are aware that technology offers many opportunities but is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. Children can also abuse their peers online, this can take the form of abusive, harassing, and misogynistic messages, the non-consensual sharing of indecent images, especially around chat groups, and the sharing of abusive images and pornography, to those who do not want to receive such content.
- 7.9 All our staff have 'an understanding of the expectations, applicable to their roles and responsibilities in relation to filtering and monitoring' of ICT systems and regular monitoring of school's equipment and networks.

8. Online Safety

- 8.1 Our school approach to online safety, including appropriate filtering and monitoring on school devices and school networks is reflected in this Child Protection Policy including awareness of the ease of access to mobile phone networks. (See KCSiE 2026 Paragraph 151).
- 8.2 Our Senior DSL and the DSL team has the lead responsibility in this area, which is overseen and regularly reviewed by the Governing body, along with considering the number of and age range of their children, those who are potentially at greater risk of harm, and how often they access the IT system along with the proportionality of costs versus safeguarding risks.
- 8.3 Our Governing body will ensure they maintain oversight of the Online Safety Policy contained within our main child protection policy, and the arrangements put in place to ensure appropriate filtering and monitoring on school devices and school. Ensuring that they are effective at least annually, ensuring this review is formally recorded. The appropriateness of any filtering and monitoring systems will in part be informed by the risk assessment required by the Prevent Duty as required by KCSiE 2026 paragraph 171.
- 8.4 This will include:
 - identify and assign roles and responsibilities to manage filtering and monitoring systems.
 - review filtering and monitoring provision at least annually.
 - block harmful and inappropriate content without unreasonably impacting teaching and learning.
 - have effective monitoring strategies in place that meet the school's safeguarding need.
 - review and discuss the standards with the leadership team, IT staff and service providers to ensure the school/college meets the standard published by the [Department for Education filtering and monitoring standards](#).
- 8.5 Our filtering and monitoring is managed by our IT provider Primary World and is regularly monitored by our Governor responsible for internet safety this is then reported to the Governing Body. KCSiE 2026 (paragraphs 171-175). We have an online safety policy available from our website or the school office.
- 8.6 Our Governing body will ensure a review is maintained to ensure standards. They will discuss with IT staff and service providers these standards and whether more needs to be done to support our school in meeting and maintaining these standards and communicating these to staff, our pupils, parents, carers and visitors to the school who provide teaching to children as part of the learning and educational opportunities we provide.
- 8.7 Our Senior DSL and the DSL team will always act in the 'best interest of the child' and remain mindful of the importance with parents and carers about safeguarding concerns held for children and in particular children's access to online sites when away from school.
- 8.8 We will support understanding of harmful online challenges and hoaxes and share information with parents and carers and where they can get help and support.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 8.9 All forms of abuse or harassment will be reported in accordance with national safeguarding guidance, and we will take a 'zero tolerance' approach to harassment and abuse as informed in KCSiE 2026.
- 8.10 As a school should an incident or disclosure be made by a child, our staff will always reassure the child (victim) that they are being taken seriously and that they will be supported and kept safe, but we recognise that not every victim will view themselves as such. We will also be mindful of the use of other terminology such as '**alleged perpetrator(s)**' or '**perpetrator(s)**' as in some cases, instead referring to the 'child who has been harmed' and the 'child who has caused harm' the abusive behaviour will have been harmful to the perpetrator as well.
- 8.11 We will do our best to ensure children understand the law on child-on-child abuse is there to protect them rather than criminalise them. In doing this we will discuss with relevant statutory safeguarding agencies to ensure all concerns or incidents are addressed fully and where required different types of assessment and services are put in place where required.

9. Identifying Concerns

- 9.1 All members of staff, volunteers and governors will be aware of indicators of abuse, neglect and exploitation know, will know how to identify pupils who may be being harmed and then how to respond to a pupil who discloses abuse, or where others raise concerns about them. Our staff will be familiar with procedures to be followed and will receive safeguarding and child protection (including online safety) updates.
- 9.2 Staff understand that abuse, neglect, and safeguarding issues are rarely standalone events that can be covered by one definition, and that in most cases multiple issues will overlap with each other. Staff who regularly come into contact with children are aware of the DfE guidance [What to do if you're worried a child is being abused](#)
- 9.3 The four main categories of child abuse are as follows:
 - 1. Physical Abuse
 - 2. Emotional Abuse
 - 3. Sexual Abuse
 - 4. Neglect
 - 5. Exploitation

10. Indicators of abuse, neglect and exploitation:

- 10.1 **Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults or by another child or children. Harm can include ill treatment that is not physical as well as the impact of witnessing ill treatment of others. This can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse, including where they see, hear or experience its effects.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 10.2 **Physical abuse:** a form of abuse which may involve hitting, shaking, throwing, poisoning, burning, or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
- 10.3 **Emotional abuse:** the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. It may involve conveying to a child they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectation being imposed on children. These may include interactions that are beyond a child's developmental capability as well as over protection and limitation of exploration and learning or preventing the child from participating in normal social interaction. It may include verbal abuse, such as persistent criticism, belittling, or name-calling, as well as not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.
- 10.4 **Sexual abuse:** involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbations, kissing, rubbing, and touching outside of clothing. They may also include non-contact activities, such as involving children to look at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children. The sexual abuse of children by other children is a specific safeguarding issue (also known as child-on-child abuse) in education and all staff should be aware of it and of their school or colleges policy and procedures for dealing with it.
- 10.5 **Neglect:** the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy, for example, because of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to; provide adequate food, clothing, and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (the use of inadequate caregivers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.
- 10.6 **Child Criminal Exploitation:** occurs where an individual or an organised network or gang, and the victim may identify as being part of this group, takes advantage of an imbalance of power to coerce, control, manipulate or deceive a child or young person under the age of

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

18. The victim may have been criminally exploited even if the activity appears consensual.

Child Criminal Exploitation does not always involve physical contact; it can also occur through the use of technology. Criminal exploitation often happens alongside sexual or other forms of exploitation.

Child Criminal Exploitation is broader than just county lines and includes for instance children forced to work on cannabis farms, to commit theft, shoplift or pickpocket, or to threaten other young people.

- 10.7 **Child Sexual Exploitation (CSE):** is a type of sexual abuse. It happens when a child or young person is coerced, manipulated or deceived into sexual activity in exchange for things that they may need or want like gifts, drugs, money, status and affection.

11. Safeguarding issues:

- 11.1 All staff should have an awareness of safeguarding issues that can put children at risk of harm. Behaviours linked to issues such as drug taking and or alcohol misuse, deliberately missing education unexplainable and/or persistent absences from education and consensual and non-consensual sharing of nudes and semi-nude images and/or videos can be signs that children are at risk.
- 11.2 The school website has a page with links on for parents and children to access help to services when they are not in school, this includes advice and supports for filtering and monitoring standards. In particular, with reference to on-line abuse which may be a greater issue when children are not in attendance at school and are engaging in learning remotely and may have limited supervision from parents/carers.
- 11.3 Our school ethos demonstrates that the effective safeguarding of children can only be achieved by putting children at the centre of a system where we listen and hear what they say. Every individual within Newbold will play their part, including working with professionals from other agencies, particularly social workers, to meet the needs of our most vulnerable children and keep them safe. We will take opportunities to teach children about important safeguarding issues in a way that is age appropriate. All staff are training to monitor children on devices to ensure material accessed is safe.
- 11.4 Our school puts children at the centre of our 'safeguarding arrangements' and we have worry box's in each classroom, quiet spaces and a pastoral lead for children to talk to. Staff prioritise children's voice above everything else.
- 11.5 Our school is led by senior members of staff and governors whose aims are to provide a safe environment and vigilant culture where children and young people can learn and be safeguarded. If there are safeguarding concerns, we will respond with appropriate action in a timely manner for those children who may need help or who may be suffering, or likely to suffer, significant harm.
- 11.6 Where staff members have concerns about a child (as opposed to a child being in immediate danger) they will decide what action to take in conjunction with the Snr Designated Safeguarding Lead. Although we advocate that any staff member can make a referral to children's social care or First Response, especially where a child is identified as being in immediate danger, they should

however ensure that the Designated Safeguarding Lead (DSL), or a member of the senior leadership team is informed as soon as possible.

Every individual within Newbold church of England Primary School will play their part, including working with professionals from other agencies, particularly social workers, to meet the needs of our most vulnerable children and keep them safe. We will take opportunities to teach children about important safeguarding issues in a way that is age appropriate.
- 11.8 We also ensure that all our staff are clear that whilst they should discuss and agree with the DSL any actions to be taken, they are able to escalate their concerns and contact First Response, First Response Consultation Line or social care to seek support for the child if despite the discussion with the DSL their concerns remain. Staff are also informed of the school whistle blowing procedures and the contact details for the Local Authority LADO and NSPCC helpline.
- 11.9 Our School is led by senior members of staff and governors whose aims are to provide a safe environment and vigilant culture where children and young people can learn and be safeguarded. If there are safeguarding concerns, we will respond with appropriate action in a timely manner for those children who may need help or who may be suffering, or likely to suffer, significant harm.
- 11.10 Where staff members have concerns about a child (as opposed to a child being in immediate danger) they will decide what action to take in conjunction with the Snr Designated Safeguarding Lead. Although we advocate that any staff member can make a referral to children's social care or First Response, especially where a child is identified as being in immediate danger, they should however ensure that the Designated Safeguarding Lead (DSL), or a member of the senior leadership team is informed as soon as possible.
- 11.11 We also ensure that all our staff are clear that whilst they should discuss and agree with the DSL any actions to be taken, they are able to escalate their concerns and contact First Response, First Response Consultation Line or social care to seek support for the child if despite the discussion with the DSL their concerns remain. Staff are also informed of the school whistle blowing procedures and the contact details for the Local Authority LADO and NSPCC helpline.

12. Alternative providers and other agencies

- 12.1 The school works with other agencies including Social workers, SEND specialists, NHS Mental Health and police agencies. We take part in training and forums for SEND and individual pupil needs. We support children and their families in multi-agency support.
- 12.2 Where a school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider can meet the needs of the pupil.
- 12.3 Children who attend alternative education often have complex needs, it is important governing bodies/trusts and designated safeguarding leads ensure children are fully always supported, and the alternative setting is aware of any

additional risks of harm that pupils may be vulnerable to. Information sharing for pupils who receive education provision outside of a mainstream setting is vital to support the child and ensure the learning environment where they are placed has all necessary information for the child before they access the provision. The working together principles are key to keep the child safe and understanding the vulnerabilities needing to be supported. This should include up to date contact details for the professionals working with the child and family.

- 12.4 Whilst the Local Authority may hold a register of approved alternative provision providers the school is however, schools remain ultimately responsible for the provision they commission schools should also obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been conducted on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff.
- 12.5 If Alternative Provision is used it will be reviewed and monitored by the Head Teacher.
- 12.6 The Senior Designated Safeguarding Lead (DSL) , who is familiar with national and local guidance, will share concerns, where appropriate, with the relevant agencies.
- 12.7 The senior DSL and DDSL's share concerns in leadership meetings, CPOMS and take advice from Social workers, early help and other agencies.
- 12.8 Schools should always know where a child is based during school hours. This includes having records of the address of the alternative provider and any subcontracted provision or satellite sites the child may attend.

Where the school hires or rents out school facilities or the school premises to organisations or individuals, e.g. for providers to run community or extracurricular activities, it will ensure that appropriate safeguarding arrangements are in place to keep pupils safe. The school will refer to the DfE's guidance on keeping children safe in out-of-school settings in these circumstances. Any allegations the school will follow the safeguarding policies and procedures, including informing the LADO.

13. CPD, culture and ethos

- 13.1 All staff attend safeguarding training annually and have termly updates as a minimum, more sessions are added if needed. All new staff, supply staff volunteers and students have through induction training to include safeguarding. A register is kept of these training sessions and all staff have clear guidance on our reporting measures.
- 13.2 The headteacher and some members of the Governing body have had safer recruitment training. A Governor with safer recruitment training is always part of an interview panels. The staff code of conduct and the staff handbook ensures all parties in school understand the school culture for in and out of school conduct including online activities.

14. Responsibilities of the DSL/DSL Team

- 14.1 The Senior DSL and deputies (DSL team) maintains a key role in raising awareness amongst staff about the needs of children who have or who have had a social worker and the barriers that those children might experience in respect of attendance, engagement and achievement at schools or college. **This should include children under kinship care.**
- 14.2 The Senior DSL along with the Designated Teacher can inform the Governing body and Headteacher the number of children in their cohort who have or who have had a social worker and appropriate information is shared with teachers and staff on individual children's circumstances.
- 14.3 The Designated Teacher and Senior Designated Safeguarding Lead maintain data for children who have looked after status and for children who have been involved in the care system.
- 14.4 The Designated Teacher maintains good links with the Virtual School Head to promote the educational achievement of previously looked after children. The role of virtual school heads was extended in June 2021, to include a non-statutory responsibility for the strategic oversight of the educational attendance, attainment, and progress of children with a social worker. The virtual school head should identify and engage with key professionals, helping them to understand the role they have in improving outcomes for children. This should include Designated Safeguarding Leads, social workers, headteachers, governors, Special Educational Needs Co-ordinators, mental health leads, other local authority officers.
- 14.5 *Under the section on additional safeguarding vulnerabilities of children with SEND, the SEND Code of Practice is a source of information and support is available from specialist organisations including SENDIASS. The school works with specialist SEND providers including Oakfield, vision support and Speech and language specialists*

15. The seven main elements of our Child Protection Policy

- 15.1 There are seven main elements to our policy in line with KCSIE 2026, paragraph 121:
 - Providing a safe environment in which children can learn and develop.
 - Ensuring we practice safe recruitment in checking the suitability of staff and volunteers to work with children.
 - Developing and then implementing procedures for identifying and reporting cases, or suspected cases of abuse in and outside of school.
 - Supporting pupils who have social care involvement in accordance with his/her child in need plan, child protection plan or are subject to Local Authority Care.
 - Raising awareness of safeguarding children, child protection processes and equipping children with the skills needed to keep them safe in and outside of school.
 - Working in partnership with agencies and safeguarding partners in the 'best interest of the child.'

Newbold Church of England Primary School

- Ensuring we have appropriate policies and procedures to deal with child-on-child sexual violence and sexual harassment, including those that have happened outside of the school or college premises and/or online, forms of harassment and harmful sexual behaviour. Filtering and monitoring arrangements for online safety and harms *are in the appendix*.

16. Providing a safe environment

16.1 We recognise that because of the day-to-day contact our school staff have with children they and we are well placed to observe the outward signs of abuse.

16.2 The school will therefore:

- 16.2.1 Establish and maintain an environment where children feel secure, are encouraged to talk, and are listened to and heard.
- 16.2.2 Ensure children know that there are trusted adults in the school who they can approach if they are worried.
- 16.2.3 Ensure that every effort is made to establish effective working relationships with parents, carers, and colleagues from other agencies.
- 16.2.4 Include opportunities in the RSHE curriculum for children to develop the skills they need to recognise and stay safe from abuse by:
- 16.2.5 Recognise and managing risks including online safety, radicalisation and extremism, sexual exploitation, child on child sexual violence and sexual harassment, the sharing of nude and semi -nude images which has replaced what was termed as sexting.
- 16.2.6 Support the development of healthy relationships and awareness of domestic violence and abuse, recognising that Domestic Abuse can encompass a wide range of behaviours and may involve a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial, or emotional harm and children can be victims of domestic abuse. They may see, hear, or experience the effects of abuse at home and/or suffer domestic abuse in their own intimate relationships (teenage relationship abuse). All of which can have a detrimental and long-term impact on their health, well-being, development, and ability to learn.
- 16.2.7 Recognising how pressure from others and safeguarding vulnerabilities can affect their behaviour.
- 16.2.8 Recognising the link between mental health, school attendance and children 'absent from education' and the impact on learning, progress, and educational attainment.
- 16.2.9 All staff recognise that mental health problems can, in some cases, develop into safeguarding concerns. This could include self-harm, signs of an eating disorder, suicidal ideation or suicide. They could be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- 16.2.10 Knowing that as a school we will act swiftly to address any concerns related to serious violence, gang and knife crime or child on child sexual violence or sexual harassment incidents.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

- 16.2.11 Ensuring our behaviour policy includes measures to prevent bullying, including cyberbullying, harmful online challenges, hoaxes, prejudice-based and discriminatory bullying and use of social media platforms and networks is in the appendix.
- 16.2.12 Maintain an on-line safety policy which address statutory filtering and monitoring standards, which consider remote learning, and use of mobile and smart technology and is reviewed regularly to take into account any new threats.
- 16.2.13 The response required by schools and safeguarding agencies to address any 'harm outside the home' also known as 'extra familial harm.' Schools are a place of protection and where children and young people can share concerns and seek support and are place of safety and where children and young people can form safe and trusted relationships. Through creating a whole school ethos and sharing excellent communication with safeguarding partners and services, children and young people can feel assured they will be listened to, heard, and offered support to enable them share sensitive information and strengthen their resilience.
- 16.2.14 Importance of our school/colleges ethos of working together with parents, carers, and external services to form strong and trusted partnerships which can advocate trauma informed and trauma aware responses and where trusted relationships can be formed and go on to create safe places and spaces within the community, so children and young people know how to access a place of safety outside of the school/college environment if needed.
- 16.3 We sign posts parent to help outside of school with links on the website and meetings offered inside of school to include support available. Including <http://www.childexploitationeastmidlands.org.uk/>. We also run individual or small group sessions to include ELSA and other therapy sessions.
- 16.4 We work with Social services, the police and encompass to tackle harm outside the home.
- 16.5 Our school has weekly time tabled lessons, workshops and activity days which embed and teach safeguarding as part of our broad and balanced RSHE, PSHE and R.E curriculum.
- 16.6 We will take all reasonable measures to ensure any risk of harm to children's welfare is minimised inside and outside of the school environment.
- 16.7 Take all appropriate actions to address concerns about the welfare of a child, working to local policies and procedures in full working partnership with agencies.
- 16.8 Ensure robust child protection arrangements are in place and embedded in the daily life and practice of the school.
- 16.9 Promote pupil health and safety.

contractors. KCSiE Part Four has two sections, the second section addresses low-level concerns.

- 16.12 Provide first aid and meet the health needs of children with medical conditions.
- 16.13 Be aware that a child with medical conditions maybe at greater risk of being neglected, abused or exploited because of their medical condition.
- 16.14 Ensure school site security.
- 16.15 Address drugs and substance misuse issues.
- 16.16 Support and plan for young people in custody and their resettlement back into the community.
- 16.17 Work with all agencies regarding missing children, anti-social behaviour/gang activity and violence in the community/knife crime and children at risk of sexual exploitation.
- 16.18 Everyone having a duty to safeguard children inside/outside the school environment including school trips, extended school activities, vocational placements, and alternative education packages.

17. Additional measures

- 17.1 If Children receive off- site education or have alternative learning experiences in place the DSL will ensure appropriate checks have been carried out and continue to be managed by either the DSL or DDSL's.
- 17.2 Members of staff are sensitive to children's behaviour and discuss concerns with DSL, SENDCO, DDSL and have regular training to identify the indicators that a child has suffered or is at risk of suffering abuse, neglect, or exploitation. Appropriate support is provided. We work with Mental Health England to support children with mental health problems.
- 17.3 Our school is responsible to ensure children who may be LGBT have a trusted adult who they can be open with. KCSiE acknowledged that Children who are LGBT may be targeted and informs Homophobia, biphobia, and transphobia are not phobias, they are not fears; they are forms of discrimination of or hate towards LGBT people or those perceived to be LGBT and must not be tolerated. Guidance may change as the 'Children who are lesbian, gay, bisexual, or gender questioning' section is currently under review pending the outcome of the gender questioning children guidance consultation (DfE, 2023b).
- 17.4 KCSiE 2026 Annex B page 160 Child abduction and community safety incidents – Child abduction is the unauthorised removal or retention of a minor from a parent or anyone with legal responsibility for the child. Child abduction can be committed by parents or other family members; by people known but not related to the victim (such as neighbours, friends, and acquaintances); and by strangers. Other community safety incidents in the vicinity of a school can raise concerns amongst children and parents, for example, people loitering nearby or unknown adults engaging children in conversation.

As children get older and are granted more independence (for example, as they start walking to school on their own) it is important they are given practical advice on how to keep themselves safe.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

- 18.1.2 The Designated Safeguarding Lead role is written into their job description and clarifies the role and responsibilities including as defined in KCSiE 2026 Annex B.
- 18.1.3 The Leadership team will ensure that there is appropriate cover arrangements for periods when the designated safeguarding lead is unavailable due to illness, leave, or other circumstances. This will include confidential shared mailbox DSL@ to ensure that safeguarding concerns are received, monitored, and acted upon without delay.
- 18.1.4 Ensure we have a nominated governor responsible for child protection/safeguarding.

19. Supporting children and working in partnership

- 19.1 We recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful. For example, children may feel embarrassed, humiliated, or being threatened. This could be due to their vulnerability, disability and/or sexual orientation or language barriers. We recognise that children who are abused or who witness violence may find it difficult to develop a positive sense of self-worth. They may feel helplessness, humiliation, and some sense of blame. The school may be the only stable, secure, and predictable element in the lives of children at risk. When at school their behaviour may be challenging and defiant or they may be withdrawn. This should not prevent staff from having a professional curiosity and speaking to the DSL if they have concerns about a child. It is also important that staff determine how best to build trusted relationships with children and young people which facilitate communication. We also recognise that there are children who are more vulnerable than others, which include children with special educational needs and or disabilities.
- 19.2 All staff including volunteers are advised to maintain the attitude of '**it could happen here**' where safeguarding is a concern, and when concerned about the welfare of the child should always act in the **best** interests of the child.
- 19.3 Our school will endeavour to support the pupil through:
 - 19.3.1 Developing the content of the curriculum in PSHE, R.E, R.S.H.E.

- 19.3.4 Our school will proactively ensure that all children know that some behaviours are unacceptable and will need to be addressed but as members of our school they are valued and will be supported through the time required to deal with any abuse or harm that has occurred, or outcomes from incidents.

- 19.3.8 Ensuring that the vulnerability of children with special educational needs and or disabilities is recognised and fully supported by Our SENDCO.
- 19.3.9 Where a child discloses a concern or informs of an incident that has involved them in an incident involving sexual violence and or sexual harassment the staff member will ensure the child (victim) is taken seriously, kept safe and never be made to feel like they are creating a problem for reporting abuse, sexual violence, or sexual harassment.

We will respond to all allegations robustly and appropriately in collaboration with the Local Authority Designated Officer (LADO), LADO Allegation Officers or HR Service.

- 20.9 Staff may find some of the issues relating to child protection and the broader areas of safeguarding upsetting and may need support which should be provided by the school and their Human Resources Team.

- 20.10 Advice and support will be made available by the Safeguarding and Compliance Lead (SCL), LADO and LCC HR where appropriate to the leadership team.

Please Note: KCSiE 2026 Part Three: Alternative Provision – Where a school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil and should be satisfied that the provider meets the needs of the pupil.

- 20.11 Schools should obtain written confirmation from the alternative provision provider that appropriate safeguarding checks have been conducted on individuals working at the establishment, i.e., those checks that the school would otherwise perform in respect of its own staff.

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 31.2.25 Prevent people who pose a risk of harm from working with children by adhering to statutory responsibilities to check staff who work with children, making decisions about additional checks and ensuring volunteers are supervised as required.
- 31.2.26 Ensure at least one person on an interview panel has completed safer recruitment training.

- 31.2.29 Be open to accepting that child abuse and incidents can happen within the school and be available to act decisively upon them.

32. Looked After Children – The Role of Designated Teacher and the Designated Safeguarding Lead

- 32.1 A teacher is appointed who has responsibility for promoting the educational achievement of children who are looked after. They have the appropriate training. The Designated Teacher will work with the Virtual School to ensure that the progress of the child is supported.
- 32.2 The Designated Safeguarding Lead will also have details of the child's social worker and the name of the Head of the Virtual School. The Designated Safeguarding Lead will work closely with the Designated Teacher, as we recognise that children may have been abused or neglected before becoming looked after. We will ensure their ongoing safety and wellbeing as well as supporting their education, through linking with their social worker, carers, and parents where appropriate.
- 32.3 We also recognise those children who were previously Looked-After potentially remain vulnerable and all staff will be informed of the importance of maintaining support for them through our school. As a school, we will continue to recognise the importance of working with agencies and take prompt actions where necessary to safeguard these children, who may remain vulnerable.
- 32.4 The Head of the Virtual school includes responsibility for promoting the educational achievement of children in kinship care. Therefore, schools should recognise that these children may require additional support to be successful in school.

33. Children with Special Educational Needs

- 33.1 We recognise that children with special educational needs (SEN) and or disabilities can face additional safeguarding challenges on and offline. Children with SEN and

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

or disabilities are especially vulnerable when identifying concerns due to their impaired capacity to resist or avoid abuse. They may have speech, language and communication needs which may make it difficult to tell others what is happening.

33.2 All staff are aware that additional barrier can exist when recognising abuse, neglect and exploitation for children with SEND and be more prone to peer group isolation or bullying (including prejudice-based bullying) than other children. They may not always show outward signs and may have communications barriers and difficulties in reporting challenges, especially involving exploitation or incidents involving child-on-child harm, abuse, or harassment and particularly where that harassment or harm is of a sexual nature. Our staff's vigilance will be a supporting factor to keeping all children safe.

33.3 Staff should consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place. Further information can be found in the DfE:

- SEND Code of Practice 0 to 25 years, and Supporting Pupils at School with Medical Conditions.

33.4 Our policy reflects the fact that additional barriers can exist when recognising abuse, neglect, and exploitation in this group of children which include:

33.4.1 assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration.

33.4.2 these children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children, the potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs,

33.4.3 communication barriers and difficulties in managing or reporting these challenges risks that they do not understand that what is happening to them is abuse,

33.4.4 the need for intimate care or that these children are isolated from others,

33.4.5 that these children are more likely to be dependent on adults for care, and

33.4.6 these children may have issues over cognitive understanding – being unable to understand the difference between fact and fiction in online content and then repeating the content/behaviours in schools or colleges or the consequences of doing so.

33.5 addressing individual behaviour concerns and incidents considering the child's SEN and disabilities.

33.5.1 recognising and having in place additional support for example to teach, advise, mentor and support children with SEND from online harms, hoaxes, bullying,

grooming and radicalisation and enable them to have confidence and the ability to stay safe online, either in schools or outside the school environment.

34. Acting where concerns are identified.

- 34.1 Our staff recognise the difference between concerns about a child and a child in immediate danger.
- 34.2 If staff have concerns about a child, they will need to decide what action to take. A discussion should take place with the Senior Designated Safeguarding Lead, to agree a course of action.
- 34.3 If a child is in immediate danger or risk of harm a referral will be made immediately to First Response and/or immediately to the police if at imminent risk of harm by the member of staff if required, with the Designated Safeguarding Lead being informed of the referral.
- 34.4 If a child chooses to tell a member of staff about alleged abuse, there are several actions that staff will undertake to support the child:
 - 34.4.1 The key facts will be established in language that the child understands, and the child's words will be used in clarifying/expanding what has been said.
 - 34.4.2 No promises will be made to the child, e.g., to keep secrets.
 - 34.4.3 Staff will stay calm and be available to listen.
 - 34.4.4 Staff will actively listen with the utmost care to what the child is saying.
 - 34.4.5 Where questions are asked, this should be done without pressurising and only using open questions.
 - 34.4.6 Leading questions should be avoided as much as possible.
 - 34.4.7 Questioning should not be extensive or repetitive.
 - 34.4.8 Staff will not/ should not put words in the child's mouth but will subsequently note the main points carefully.
 - 34.4.9 A full written record will be kept by the staff duly signed and dated, including the time the conversation with the child took place, outline what was said, comment on the child's body language etc.
 - 34.4.10 It is not appropriate for staff to make children write statements about abuse that may have happened to them or get them to sign the staff record.
 - 34.4.11 Staff will reassure the child and let them know that they were right to inform them and inform the child that this information will now have to be passed on.
 - 34.4.12 The Designated Safeguarding Lead will be immediately informed unless the disclosure has been made to them.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

34.4.13 Information should be shared with children's social care without delay, either to the child's own social worker or to First Response. Children's Social Care will liaise with the police where required, which will ensure an appropriate police officer response rather than a uniformed response.

34.4.14 The Police would only therefore be contacted directly in an emergency or if a child is in immediate risk of harm, abuse, or danger.

Staff should never attempt to carry out an investigation of suspected child abuse by interviewing the child or any others involved, especially if a criminal act is thought to have occurred. The only people who should investigate child abuse and harm are Social Care, Police, or the NSPCC.

35. Confidentiality

35.1 We recognise that all matters relating to child protection are confidential; however, a member of staff must never guarantee confidentiality to children; children will not be given promises that any information about an allegation will not be shared.

35.2 Where there is a child protection concern it will be passed immediately to the Designated Safeguarding Lead and/or to children's social care. When a child is in immediate danger children's social care/the police will be contacted.

35.3 The Headteacher or Senior Designated Safeguarding Lead will disclose personal information about a pupil to other members of staff, including the level of involvement of other agencies, only on a 'need to know' basis.

35.4 All staff are aware that they have a professional responsibility to share information with other agencies in order to safeguard children. They are aware that the Data Protection Act 1998 should not be a barrier to sharing of information where failure to do so would result in a child being placed at risk of harm. Staff should refer to the DfE Data Protection guidance for schools (DfE, 2023 updated July 2026).

35.5 We acknowledge further guidance can be found by visiting Leicestershire and Rutland Safeguarding Children Partnership website: <https://lrsb.org.uk/>

36. Information Sharing

36.1 Effective sharing of information between practitioners and local organisations and agencies is essential for early identification of need, assessment, and service provision to keep children safe. Serious Case Reviews (SCRs) now known as Rapid Reviews (RRs) have highlighted that missed opportunities to record and thereby understand the significance of sharing information in a timely manner can have severe consequences for the safety and welfare and well-being of children (Working Together to Safeguard Children, 2026).

36.2 We will adopt the information sharing principles detailed in statutory safeguarding guidance contained within:

Newbold Church of England Primary School

36.2.1 DfE KCSiE 2026 has several sections which provide clarity on information sharing processes and GDPR including within Annex B which makes clear the powers to hold and use information when promoting children's welfare.

36.2.2 Working Together to Safeguard Children 2026 paragraphs 19 to 37 and on pages 17 -20.

36.2.3 Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents, and carers (which has been updated to reflect the General Data Protection Regulation (GDPR) and Data Protection Act 2018.

36.2.4 Leicestershire and Rutland Safeguarding Children Partnership (LRSCP) Policy and Practice Guidance.

36.2.5 The headteacher has completed GDPR Information Sharing training. This will be delivered to staff on the inset day in October.

37. Records and Monitoring [KCSiE 2026 paragraphs 72 to 73, Part Four, Part Five, Annex B]

37.1 We maintain good quality records by regular staff training, termly governor safeguarding audits and annual local authority safeguarding audits. Records are monitored by the Headteacher and they reflect the child's journey through the safeguarding system and engagement with statutory agencies, including Social Care, Early Help, Police, CAMHS, Health and other services.

37.2 Any concerns about a child will be recorded in writing within 24 hours. All records will provide a factual and evidence-based account and there will be accurate recording of any actions. Records will be signed, dated and, where appropriate, witnessed. Where an opinion or professional judgement is recorded this should be clearly stated as such. As well as keeping records of concerns, discussions and decisions, designated safeguarding leads should keep record of the rationale for any decisions made.

37.3 At no time should an individual teacher/member of staff or school be asked to or consider taking photographic evidence of any injuries or marks to a child's person; this type of behaviour could lead to the staff member being taken into managing allegations procedures. The body maps should be used in accordance with recording guidance and to support clarity for example of areas of injury, marks and bruising and or touching.

37.4 Any concerns should be reported and recorded without delay to the appropriate safeguarding services e.g., First Response or the child's social worker if already an open case to social care.

37.5 A chronology will be kept in the main school file prior to the commencement of a concern file. Staff, particularly pastoral staff, will record any minor concerns on the chronology and will take responsibility for alerting the Designated Safeguarding Lead should the number of concerns rise or, in their professional judgement,

become significant. At the point at which a concern file (see below) is commenced then the chronology can be transferred to the concern file.

- 37.6 Our school will ensure all our files will be available for external scrutiny for example by a regulatory agency or because of a serious case review or audit.

38. Why recording is important

- 38.1 Our staff will be encouraged to understand why it is important that recording is comprehensive and accurate and what the messages from serious case reviews are in terms of recording and sharing information. It is often when a chronology of information is pieced together that the level of concern escalates or the whole or wider picture becomes known.

- 38.2 Our school uses CPOMs

- 38.3 We acknowledge without information being recorded it can be lost. This could be crucial information, the importance of which is not always necessarily apparent at the time. On occasions, this information could be crucial evidence to safeguard a child or be evidence in future criminal prosecutions.

39. The Child Protection (CP), Child in Need (CiN) or Confidential file

(KCSiE 2026 Annex B pages 183.)

- 39.1 A 'child protection' or 'confidential' file should be commenced in the event of:

- A referral to First Response/Children's Social Care.
- A number of minor concerns on the child's main school file.
- Any child open to social care.

- 39.2 All 'child protection' or 'confidential' file should contain the following

- A front sheet.
- A chronology.
- A record of concern in more detail and body map, where appropriate.
- A record of concerns and issues shared by others.

- 39.3 The school will keep either written paper or electronic records of concerns about children even where there is no need to refer the matter to First Response/Children's Social Care (or similar) immediately, but these records will be kept within the separate concerns file.

- 39.4 Records will be kept up to date and reviewed regularly by the Snr Designated Safeguarding Lead, to evidence and support actions taken by staff in discharging their safeguarding arrangements. Original notes will be retained (but clearly identified as such) as this is a contemporaneous account; they may be important in any criminal proceedings arising from current or historical allegations of abuse or neglect.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 39.5 The 'confidential' file can be active or non-active in terms of monitoring i.e., a child is no longer LAC, subject to a child protection plan or EHAF and this level of activity can be recorded on the front sheet as a start and end date. If future concerns arise, they can be re-activated and indicated as such on the front sheet and on the chronology as new information arises.

40. Transfer of child's child protection file, child in need, LAC, or confidential file (statutory requirement):

- 40.1 Our school will adopt the file transfer guidance contained in KCSiE 2026 and ensure when a child moves school/education provision their child protection/confidential file is sent securely to their new educational setting when the child starts/ leaves the school/academy.
- 40.2 For those children subject of social care and safeguarding agency involvement will ensure the file is able to evidence the child's journey and include key information as described in KCSiE 2026 should a child subject to social care involvement transfer schools, college, or education provider we will ensure the child's child protection or confidential file move is transferred within 5 days as required by KCSiE.
- 40.3 Our Senior DSLs will liaise directly with the receiving school, college or alternative placement and hold a discussion to share important information to support the child's transfer to ensure the child remains safeguarded, has any 'reasonable adjustments' agreed, and put in place and to ensure the changes experienced by the child are as smooth as possible to enable a positive integration experience and engagement with new staff and learning.
- 40.4 When a student moves to or from the school, if there are issues or concerns, a conversation between DSLs from both settings is recommended as good practice.
- 40.5 In accordance with KCSiE 2026 we will maintain information on cohorts of children who have been open to social care, have had a social worker or who are closed to social care and may have returned to the family home. This information will only be considered for sharing 'if appropriate' with the new school or provider in advance of the child leaving to allow for the new school to continue supporting the children who have had a social worker or been victims of abuse, including those who are currently receiving support through the 'Channel' programme.
- 40.6 When a child attends Alternative Provision the safeguarding file will remain with the child's school, the DSL must share relevant information to allow the Alternative Provision to safeguard the child. [KCSiE 2026 Annex B]

41. Recording Practice

- 41.1 Timely and accurate recording will take place when there are any issues regarding a child.
- 41.2 A recording of each and every incident or concern for the child will be made, including any telephone calls to other professionals. These will also be recorded on the chronology and kept within the child protection file for that child, as over time they are

likely to help identify any patterns or emerging risks and needs. This will include any contact from other agencies who may wish to discuss concerns relating to a child. Actions will be agreed, and roles and responsibility of each agency will be clarified, and outcomes recorded.

- 41.3 The chronology will be brief and log activity; the full recording will be on the record of concern.
- 41.4 Further detailed recording will be added to the record of concern and will be signed and dated. Records will include an analysis of the event or concerns and will take account of the holistic needs of the child, and any historical information held on the child's file.
- 41.5 Support and advice will be sought from social care, or early help whenever necessary. In this way a picture can emerge, and this will assist in promoting an evidence-based assessment and determining any action(s) that needs to be taken.
- 41.6 This may include no further action, whether an Early Help Assessment should be undertaken, or whether a referral should be made to First Response/Children's Social Care in-line with the Threshold for access to services published September 2021, or any later edition made available by Leicestershire and Rutland Safeguarding Children Partnership.
- 41.7 Such robust practice across child protection and in safeguarding and promoting the welfare of children will assist the school and DSL team in the early identification of any concerns which may require addressing further and the prevention of future harm, risk, or abuse.
- 41.8 The Designated Safeguarding Lead will have a systematic means of monitoring children known or thought to be at risk of harm (through the concern file and through an ongoing dialogue with pastoral staff). They will ensure that we contribute to assessments of need and support multi-agency plans for those children.

42. Educating Young People – Opportunities to teach safeguarding *(KCSiE 2026 paragraphs 156 to 166)*

- 42.1 As a school we will teach children in an age-appropriate way about the four Cs of online safety, content, contact, conduct and commerce as outlined in KCSiE 2026 to include youth produced imagery, on-line risks associated with social networking to prevent harm by providing them with the skills, attributes, and knowledge to help them navigate risks, including covering online safety, remote learning, filters and monitoring, information security, cyber-crime, fake news, disinformation and conspiracy theories, reviewing online safety platforms and use of mobile technology. We will ensure appropriate filters and monitoring systems in place and regularly review their effectiveness.
- 42.2 The education we provide for online safety will take into account the need for children to learn using online technologies to include generative artificial intelligence in a safe environment whether that be in school, in the home or in a community environment. This will also be taught as part of a wider RSHE programme, as well as through other subject areas and ICT.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- 42.3 We will ensure a whole school approach is in place to promote giving children the space to explore key issues in a sensitive way and the confidence to seek the support of adults should they encounter problems or online harms, hoaxes or harassment including involving incidents of sexual violence and sexual harassment between children.
- 42.4 Our school is a mobile free environment by defaults: this includes between lessons, breaktimes and lunchtime. Anything other than this is by exception only by applying to the Headteacher.
- 42.5 Our arrangements will be regularly reviewed to address this additional area of safeguarding as technologies change on a regular basis and having access to smart technology could mean some children, whilst at school, sexually harass, bully, and control others via their mobile and smart technology, share indecent images consensually and non-consensually (via large chat groups) and view and share pornography and other harmful content.
- 42.6 Our RSHE Policy and curriculum is designed to teach and support children to understand risks and how you keep themselves safe as well as where to go for help and support.
- 42.7 Children and parents are made aware of on-line safety via new letters and notes with updates, links are added to the website for advices and support.
- 42.8 Children at home have a messaging system to their school class teacher where they could raise concerns.

Our school's response to identifying, responding to, and managing concerns, incidents, or disclosures regarding sexual violence between children in school.

43. Helplines and reporting

- 43.1 Children can talk to a Child Line counsellor 24 hours a day about anything that is worrying them by ringing 0800 11 11 or in an online chat at <https://www.childline.org.uk/get-support/1-2-1-counsellor-chat/>
- 43.2 Where staff members feel unable to raise an issue with their employer or feel they have a genuine concern that is not being addressed we acknowledge they may wish to consider whistleblowing channels. Likewise, if parents and carers are concerned about their child, they can contact the NSPCC Helpline by ringing 0800 028 028 0295, or by emailing help@nspcc.org.uk
- 43.3 Advise for Parents and Children with web links are on Our website under Parents useful links.

44. Child on child sexual harassment and sexual violence

- 44.1 The school has a zero-tolerance approach to sexual harassment and sexual violence. Abuse will never be tolerated or seen as banter, just having a laugh or part of growing up.

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

44.2 All staff must have 'it could happen here approach'.

44.3 Forms of child-on-child abuse can be:

- bullying (including cyberbullying, prejudice-based and discriminatory
 - abuse in intimate personal relationships between children (also known as teenage relationship abuse),
 - physical abuse which can include hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm,
 - physical assault and harm, or the threat of harm with a weapon,
 - harmful sexual behaviour, sexual violence and sexual harassment – which may include misogyny/misandry.
 - consensual and non-consensual making or sharing of nudes and semi nudes, including those generated using AI.
- causing someone to engage in sexual activity without consent, such as forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party,
 - upskirting (which is a criminal offence⁴⁴), which typically involves taking a picture under a person's clothing without their permission, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress, or alarm, and
 - initiation/hazing type violence and rituals.

44.4 Disclosures or concerns about HSB must be reported immediately to the DSL following the reporting procedures. The Hackett continuum will be used to measure the behaviour.

44.5 Records will be recorded on add school's safeguarding system.

44.6 All children involved in an incident will be seen as victims.

44.7 The school will, if necessary, seek advice from a safeguarding partner or refer to resources from the Centre of Expertise on Child Sexual Abuse.

44.8 In some cases, such as one of incidents or HSB or sexual harassment, it may be appropriate for the school or college to manage the situation internally.

44.9 In some cases, the school will have a statutory duty to refer the incident to the police and/or social care. Where a report of rape, assault by penetration or sexual assault is made, the starting point is that this should be passed on to the police. Whilst the age of criminal responsibility is ten, if the alleged perpetrator(s) is under ten, the starting principle of reporting to the police remains. The police will take a welfare, rather than a criminal justice, approach. The following advice may help schools and colleges decide when to engage the Police and what to expect of them when they do.

44.10 The school will seek to protect children's anonymity.

44.11 Risk and needs assessments will be put in place.

45. Children who are questioning their gender

- 45.1 The school recognises that some children and young people may question their gender. We are committed to providing a safe, supportive, respectful and inclusive environment for all pupils, while ensuring that safeguarding and the welfare of the child remain paramount.
- 45.2 In accordance with Keeping Children Safe in Education 2026, the school will adopt a safeguarding-led approach when responding to any child who is questioning their gender. Decisions will be made on an individual basis, taking account of the child's age, developmental stage, **wishes and feelings**, wider vulnerabilities, educational needs, mental health, neurodiversity, family circumstances and the rights and wellbeing of other children. The child's best interests will always be the primary consideration.
- 45.3 The school will not initiate social transition. Where a child or parent/carer requests changes relating to social transition, including changes to name, pronouns, appearance or how a child is treated within the school community, these matters will be considered through the school's safeguarding procedures and under the leadership of the Designated Safeguarding Lead (DSL). Any decisions will be carefully assessed, recorded and reviewed.
- 45.4 Parents and carers will be involved in the vast majority of cases. The school will only consider delaying or limiting parental involvement where there is reasonable cause to believe that doing so is necessary to protect the child from a risk of significant harm. In such circumstances, the DSL will seek appropriate safeguarding advice and take action in accordance with child protection procedures.
- 45.5 The school acknowledges that children who are questioning their gender may have additional vulnerabilities or complex needs and may benefit from appropriate health, social care or other professional involvement. The school will work collaboratively with families and relevant agencies where appropriate to promote the child's welfare.
- 45.6 The school will comply with all relevant legal duties, including safeguarding, equality, data protection and human rights legislation. Arrangements relating to toilets, changing facilities, residential accommodation, sport and the recording of pupil information will be managed in line with current statutory guidance and the school's legal obligations.
- 45.7 All concerns, discussions, decisions and the reasons for those decisions will be recorded in accordance with the school's safeguarding and record-keeping procedures.
- 45.8 KCSiE 2026 paragraphs 95-98 confirms that schools and colleges can lawfully separate children according to their biological sex for sport. In cases where a gender questioning child makes a request relating to how they participate, if "there are no safety concerns", settings should consider "whether supporting social transition is overall in the best interests of the child, as well as considering the impact on other children and the aim of creating safe and fair environments for children to participate in PE."
- 45.9 KCSiE 2026 **Paragraphs 105-116** explain that when it comes to toilets, showers and changing facilities, children must not be allowed into the spaces "designated for the opposite biological sex." In instances where a child does not want to use these spaces, "schools and colleges should consider whether they can provide an

alternative." Schools and colleges must keep a record of any such situations and "ensure they are communicated appropriately" and regularly reviewed.

- 45.10 Paragraphs 197-202 include new guidance that schools and colleges must not allow a child to share overnight accommodation with a child of the opposite biological sex. This must be considered when responding to a request for social transition, where the rule still applies. If a child doesn't want to share with a child of the same biological sex, alternative arrangements may be sought, but they "should not compromise the safety, comfort, privacy or dignity of any child. Children are provided with a room to change in by themselves if requested.

Positive Behaviour Policy

Published:	<u>September 2026</u>	Review Date:	September 2027
-------------------	-----------------------	---------------------	----------------

1. Philosophy

At the heart of any successful community is a disciplined, safe environment based on mutual respect. We believe that building positive relationships with children is the most effective way to encourage good behaviour and to develop self-esteem and independence.

2. Aims

- Create a climate where learning can flourish;
- Protect basic rights of safety, learning and respect for all;
- Promote self-discipline;
- Clarify acceptable standards of behaviour based on the school's values;
- To set boundaries in which children can feel safe and achieve;
- Teach children about socially appropriate and acceptable choices.

3. Christian Values

To facilitate our aims the school has adopted a set of values to reflect the school's Christian foundation and the moral and high standards we wish to uphold. These include valuing ourselves, our families and other relationships, the wider groups to which we belong, the diversity of our society and the environment in which we live. We believe that everyone is made in the image of God and therefore our values reaffirm our commitment to the virtues of respect, justice, friendship, generosity, thankfulness and perseverance.

4. School Ethos and Moral Code

The ethos of Newbold School emanates from its Church foundation and strong community links. The children are well known by various members of staff. Parents and grandparents help in school on a regular basis. Parents are able to come into school at a mutually agreed time to discuss any concerns they may have. Expectations of the pupils accord to those in any caring family unit i.e. respect, consideration and care for one another. This accepted moral code is reinforced in school assemblies, at lunchtime, during after school clubs, in team games, visits away from school as well as in personal, social and citizenship lessons.

5. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

[Behaviour in schools advise for headteachers and staff 2022](#)

[Searching, screening and confiscation at school](#)

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

[The Equality Act 2010](#)

[Keeping Children Safe in Education 2026](#)

[Use of reasonable force in schools](#)

[Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils

Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property

[DfE guidance](#) explaining that maintained schools must publish their behaviour policy online

6.Partnership with Parents

Parents and carers have the primary role in fostering good behaviour. The school is committed to the development of a close professional relationship with parents and recognises the crucial nature of support from them. Parents' views will be sought and valued. Parents will also be encouraged to recognise their responsibilities towards their child. We hope that this partnership approach will help parents to understand and support their child both at home and at school.

7.Expectations of Pupils

All children are encouraged to adopt the school's code of conduct by;

- Treating other children with respect;
- Not engaging in child on child abuse;
- Listening when they are spoken to and following instructions;
- Carrying out work tasks to the best of their ability;
- Looking after books and equipment;
- Acting sensibly and safely when moving around school;
- Treating all staff with equal respect;
- Completing homework on time;
- Sitting quietly in assembly;
- Informing a member of staff if they or another pupil are in difficulty;
- Remaining within the school grounds during school hours unless collected by an adult with prior arrangement;
- Not entering the school or grounds out of hours without permission;
- Learning acceptable table manners for communal eating;
- Being polite to visitors, students etc;
- Being organised and equipped for lessons;

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- Being actively opposed to any form of bullying;
- Uphold the school identity by wearing full school uniform at all times.

8. Teaching and Learning

In the Foundation Stage a large amount of time is taken to induct children into the world of school. Children are taught to share in the classroom environment, to remember to say please and thank you and to understand that they have to take turns, wait in line, sit quietly on the carpet and in assembly and to listen to the adults who work with them and to do as they are asked. Lots of explanations are given and discussions about behaviour permeate the work of the Foundation Stage. Children are given many opportunities to learn how to be safe and to behave in school and to develop rewarding and successful relationships with their peers. Activities include modelling, demonstration, stories, drama, circle time and assemblies.

In Key Stage 1 and Key Stage 2 the children are taught to care for themselves and one another specifically through the PSHE and citizenship curriculum, class and whole school assemblies, RE lessons and circle time. Circle time is regularly used in our school and is an opportunity for children to reflect on the wider issues that affect their lives and the part that they play in the life of the school.

9. Rewards and Sanctions

9.1 We recognise that praise is the most effective way of encouraging good behaviour. We do this with Headteacher awards, star of the week awards, Growth Mindset Awards, Happy Lunchtime awards, merit awards and celebration assemblies. Children are encouraged to share out of school achievements (brownie/cub awards, sporting and other certificates) in assemblies, points are also awarded for star of the week, participation in school events and full ladybirds or nests.

9.2. The John Burnett Cup is also awarded for the child who has made the most improvement-academic or behaviour- throughout the school term. A star of the term is nominated by Staff, one is selected from each Key stage to receive a book token.

9.3. Class teachers and support staff give a variety of awards & stickers for effort, achievement & good behaviour. Children who find it hard to behave consistently well will be set achievable targets and be given regular, positive feedback from school staff as they are achieved.

9.4 However, sanctions will be applied for inappropriate behaviour:

- Children will be asked to reflect on their actions and apologise;
- Children may be moved to a different class room;
- Children may be detained at playtimes and tasks will be set if class work is not completed to a satisfactory standard;
- Privileges may be withdrawn e.g. a monitoring responsibility, representing the school;

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

- Parents will be invited into school to discuss an on-going problem with the class teacher to develop a shared approach to rectifying the inappropriate behaviour;
- Parents will be invited to meet with the Headteacher if a serious incident occurs;
- If school property has been damaged a payment may be sought;
- In the rare event of unacceptable behaviour towards a member of staff or child a pupil may be excluded.

9.5 N.B. Teachers and other staff who have lawful control or charge of pupils may use reasonable force to prevent pupils committing a crime, causing injury or damage or causing disruption. Parents would be informed if any such action became necessary. Headteachers may suspend a pupil for up to 45 school days in one school year. In the event that such action became necessary the Governors of the school would be informed.

10. Zero-tolerance approach to sexual harassment, sexual violence and child-on child abuse.

The school will ensure that all incidents of sexual harassment, violence or child-on child abuse are met with a suitable response, and never ignored.

Pupils are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

Proportionate

Considered

Supportive

Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

Responding to a report

Carrying out risk assessments, where appropriate, to help determine whether to:

Manage the incident internally

Refer to early help

Refer to children's social care

Report to the police

11. Off-site behaviour

Newbold Church of England Primary School

At Newbold we aim to support each other to live, learn and excel together as a Christian community.

"Therefore encourage one another and build each other up," 1 Thessalonians 5:11

Sanctions may be applied where a pupil has misbehaved off-site when representing the school. This means misbehaviour when the pupil is:

- Taking part in any school-organised or school-related activity (e.g. school trips)

- Travelling to or from school

- Wearing school uniform

- In any other way identifiable as a pupil of our school

Sanctions may also be applied where a pupil has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school

- Poses a threat to another pupil or member of the public

- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

The school will also consider the pastoral needs of staff and pupils accused of misconduct and implement support.

12. Monitoring arrangements

This policy will be reviewed every 1 year or earlier if there is a change in the school's circumstances or government legislation.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the full governing body annually.

How to use the Chance and Climb Cards

A Climb Card should be given to children as a reward for:

- A positive attitude to learning
- Showing respect to others
- Working hard
- Setting a good example
- Persevering with work

A **Climb Card** is used to recognise and celebrate positive behaviour during lessons. When a child demonstrates expected behaviour (following school policy), a card should be physically placed on their desk so they can see this recognition and feel of their effort. This visible reward also encourages other children to notice and mirror those positive behaviours. Only 1 climb card should be issued within a lesson, and teachers must remain consistent with this. When a climb card is issued, it should not be taken away. A Chance Card can be placed next to it on the desk, if necessary, later in a lesson. At the end of the lesson, children who received a Climb Card should hold it up. The teacher or TA will then move each child one step up the ladder to celebrate their achievement and progress.

A Chance Card should be given to children to represent a 'verbal warning' without the need to disrupt lesson flow. Children will receive a chance card if they are not

- Making the right choices
- Following an adult's instruction

The Climb Card provides children with a chance to reflect on their behaviour and make better choices. A child should only be moved one step down the ladder if the inappropriate behaviour continues after a warning has been given. The card must be placed physically on the child's desk, so the recognition or reminder is visible. The key aim of this approach is for the card to be removed within the same lesson once the behaviour has improved. A physically damaged card is a straight move down the ladder.

Can a child move back up the ladder?

We want to place greater emphasis on recognising and celebrating positive behaviours as often as possible. If a child moves down the ladder, the teacher must first ensure that the consequence recorded in the box is carried out. After this, the child's name should be reset (white box) on the ladder for the next lesson, giving them a fresh start and the opportunity to succeed again.

We have adapted the behaviour ladder by adding extra 'climb' steps and adjusting the consequences. The children are aware of these changes and understand that our focus is on celebrating positive behaviour with more Climb Cards. They also know that the first step down the ladder involves discussing their behaviour with an adult, and the next step-down means speaking with Ms Hitchman and/or their parents.

Teachers must remain consistent with the behaviour policy. It is their responsibility to judge when behaviour is serious enough to bypass a Chance Card, meaning the child is moved directly down the ladder to the step that best reflects the behaviour. Below are the pupil expectations taken from the Positive Behaviour Policy.

Expectations of Pupils

All children are encouraged to adopt the school's code of conduct by;
