Athletics Reception – Year 6

This club is a great introduction into a variety of athletic disciplines such as different throwing techniques and jumping, promoting and enhancing your child's multi-skill development!

Football: Year 2 - Year 6

Football teaches cooperation and teamwork, helps develop positive social skills and teaches respect for others. Join us to play matches, talk tactics and score goals! Shin pads and boots/ trainers you are happy to get muddy please.

Multi Sports: Reception - Year 6

Multi Sports – the club which brings together all your favourite sporting activities such as hockey, dodgeball and basketball as well as many more! Each week you will learn and take part in a different sporting activity, which makes it the perfect club to provide great opportunities trying something new.

Forest School: Year 3 – Year 6

Find your inner Bear Grylls - be at one with nature and join us for an Outdoor Adventure! We will be creating seasonal crafts, risk taking and learning about our outdoor environment. This will include tool use, tree climbing, den building, camp fires and more!

What will children need?

Children will require suitable clothing or PE kit and suitable footwear such as trainers. Children should have a refillable water bottle available for the clubs and can bring a snack.
