Autumn MENU
Week 2

At our Collective Worship on Monday we welcomed participants from our after school Spanish Club, who sang four songs for us. It was a delight to see the joy on their faces as they shared what they have been learning. Thank you to all the pupils who took part and to Mrs Van der Lee, who leads this club, for this special performance.

1C led a beautiful collective worship on Thursday. They proudly shared what they have been learning and reminded us that this Sunday is a special day for all mothers and the importance of inspirational figures in our lives. Well done 1C and thank you to Miss Clancy and the staff for preparing the children so well.

This has been a week full of wonderful learning activities, away from the classroom, for many of our year groups. Nursery and Reception children enjoyed visiting Little City, where they were able to role play many different 'real life' scenarios such as working in a post office, being a librarian, building on a building site. Pupils (and staff) enjoyed the whole experience!

In addition, Year 6 continued class visits to the Battle of Britain Bunker, Year 5 visited The Globe Theatre and Year 2 went to The Roald Dahl Museum. It is great credit to all our staff who spend time planning, preparing and accompanying children on these trips and we would like to thank them and all our wonderful parent volunteers, for all their efforts.

Our Reception area has been abuzz with excitement as we welcome the arrival of some chicks. The joy of seeing eggs hatch and baby chicks emerging has kept pupils across the school fascinated. The awe and wonder of these new lives is a memory for our pupils to cherish.

Thank you to all the families, who and supported our Book Fair this week. It was lovely to see children choosing a new book. The money raised will help to buy books for our class libraries. We thank Mrs Wootton and Mrs Williams for all their efforts in promoting the love of reading in our school.

Years 5 and 6 will be holding Easter charity events next week, please see separate Weduc message for details of this.

Wishing you all a lovely weekend.

Miss Morahan & Mrs Stockwell

Calling all Sacred Heart families with a business

We're excited to share our new **Sacred Heart Business Partnership Scheme**, designed to celebrate and support the fantastic businesses within our school community.

If you run or own a business, big or small, we'd love to connect with you. The scheme offers a flexible, no obligation way to get involved, whether through a donation, a prize, a service or any support your business is genuinely able to offer. Every partnership will be tailored to what works for you.

Your involvement will help us raise vital funds for the school and enrich the experience of every child. In return, your business will be featured in our new **Business Directory** and promoted through school newsletters, events and social media.

If you'd like to take part or find out more, please get in touch at sacredheart-mps@outlook.com

The Little Recyclers - Clothing Collection

We want to extend a huge thanks to every family who has donated to **The Little Recyclers Scheme**.

Your generosity has been incredible and the volume of items collected shows just how committed our community is to supporting us in raising funds for our much-needed MU-GA and playground area.

Every contribution will help us raise valuable funds while teaching our children the importance of recycling and sustainability. We're so grateful for your continued support and enthusiasm.

Thank you for making this clothing collection such a success!

Year 1 & Year 2 Discos - Thursday 26th March

The Year 1 and Year 2 discos take place on Thursday 26th March in Hesdin Hall at the Church of the Most Sacred Heart! Please book your ticket to ensure your child's place at the disco.

Year 1: 4:30 – 5:45pm

Year 2: 6:00 – 7:15pm

Important:

This is not a drop and go event. All parents/carers must stay for the duration of their child's disco.

We also need parent helpers. If you can support during either session while you're there, helping to sell merchandise or handing out tuck bags, please let your Class Rep know.

We can't wait for a fun, music filled evening with the children!

Thank you!

Dear Parents/Carers,

We have some exciting news for you! We are taking part in Big Walk and Wheel, the UK's largest inter-school cycling, walking, wheeling and scooting challenge. The challenge runs from 16th March- 27th March 2026. It's free to take part and we would love everyone to be involved.

What do you need to do?

Encourage your child(ren) to walk, use a wheelchair, scoot or cycle to school on as many days as possible during the event.

Why we are taking part?

Big Walk and Wheel is a great way to build physical activity in children's daily routine which is important for their physical health and mental wellbeing.

Active school runs also help to reduce congestion and air pollution outside the school gate. [A 2021 YouGov study](#) showed nearly half of UK children worry about air pollution near their school. And that children thought active travel was the best away to bring down these pollution levels.

Plus, there are some great prizes to be won every day if we get enough children taking part!

Best wishes

SACRED HEART PTA

Introducing The Sacred Heart Business Partnership Scheme

Many of our families own or run fantastic local businesses. This program is all about connecting those businesses with our school community for mutual benefit!

What is the Scheme?

The PTA would like to use our platform to support and promote businesses within the Sacred Heart community. The new partnership scheme invites businesses to join us in raising funds for our school through a financial donation or by offering something resourceful – for example prizes, services or events. There is absolutely no obligation as to what this support looks like. Every partnership will be bespoke and tailored to what each business is genuinely able to offer, however big or small. The aim is simply to create meaningful collaborations that work for both the business and the school.

Your generosity will help us raise vital funds and will enrich school life for every student. This year's funds will go towards valuable learning resources and updating the MUGA and playground.

What's in it for you?

Your business details will be included in our new Business Directory. Quick access to your business for the whole school.

- ✓ We'll proudly promote your business through school newsletters, events, and social media.
- ✓ You'll have opportunities to connect directly with our community of families and staff.
- ✓ You can choose how you'd like to support – through donations, prizes, special offers, or event partnerships.

The Business Partnership Scheme will launch after the Easter Holidays.

Don't miss this exciting opportunity!

If you'd like to get involved or learn more, email us today.

We look forward to hearing from you...
