

**Sacred Heart Catholic  
Primary School**

'Where we love and learn with Jesus'

## **RE Curriculum Intent Statement**

At Sacred Heart, we work together to grow spiritually as members of God's family, with Jesus as our ever-present teacher, living out our Mission Statement. As staff, we lead by example, as living witnesses to the Gospel.

Our pupils are encouraged to participate in spontaneous prayer, lead Collective Worship and celebrate in whole school Masses.

Religious Education is embedded across all aspects of school life and in our behaviour. Some examples of how we immerse Religious Education include: lessons, daily prayers, collective worship, maintaining a strong relationship with the Parish of Sacred Heart and upholding our rich religious traditions- Reconciliation, Masses in school and in Church.

Our School Chaplaincy Team support the school ethos and provide spiritual guidance to their peers.

Through their rich Catholic experiences at Sacred Heart, our pupils are motivated and inspired to use their unique gifts from God as we prepare them to become stewards of our common home and to live in a diverse society. We are committed to living out the principles of Catholic Social Teaching in all areas of school life.

Using the Margaret Carswell scheme, the New Standards Framework, supplementary materials and use of scripture, our aim is to support children in their daily task of unfolding the mystery of God, the teaching of the Church and its application in their lives.
