You **MUST** complete the online booking form to secure a space at a club, once you have done this one less space is shown on the system. When all the spaces are filled the club will no longer show on the system. If your child fails to show up to a club twice, without reason, they will lose their space and it will be reallocated.

If a club on the timetable shows as unlimited space, then no sign up is required and your child can attend if and when they would like to.
