

Oaklands School

Science home learning Year 8- Most accessible

Have fun having a go at the activities inside this pack
on light.

We really hope you have fun doing some of these
activities!

The Science Team 😊

Light Sources

Circle the items that you think make light. There are 3 light sources.

Window

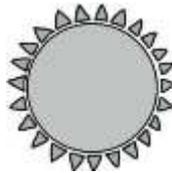

Mirror

Torch

Candle

Sun

Moon

Now put the light sources in order:

1. Brightest	2. Quite Bright	3. Least Bright

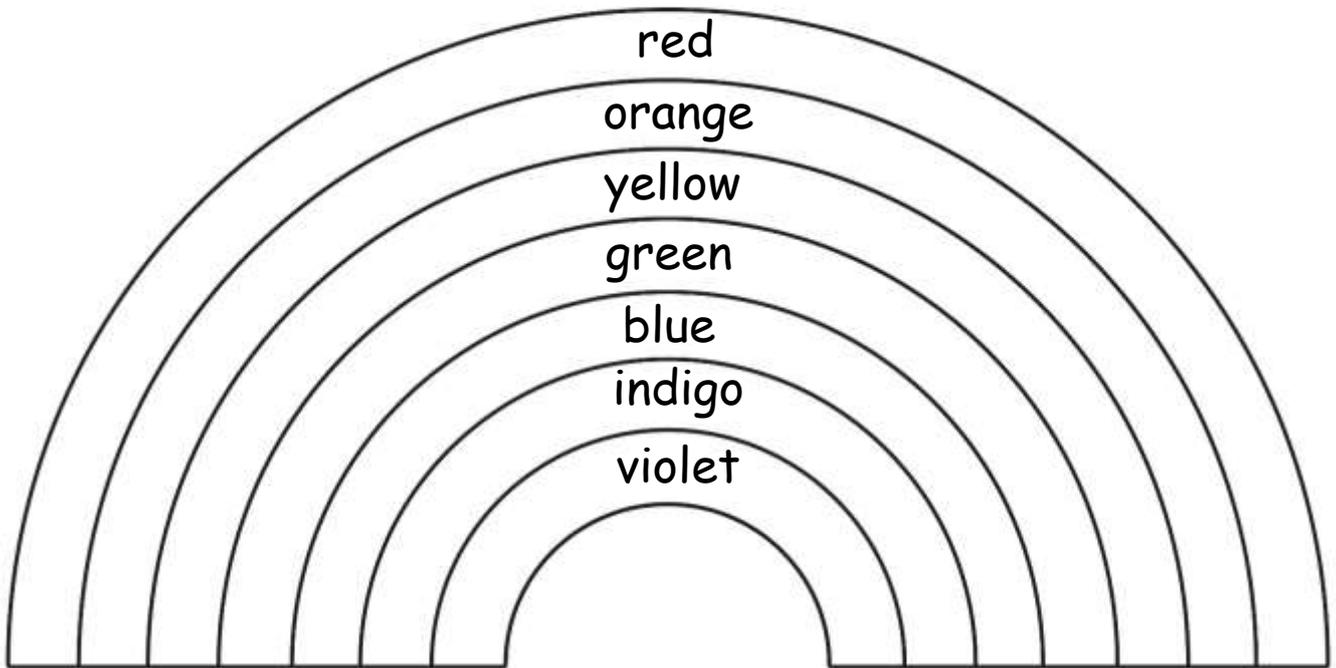

Shadows

Draw a line to match each shadow to the object that made it.

Colours in Light

A rainbow shows us the colours in light.

How many colours are there in the rainbow? _____
