

# East Family Hubs SEND Parent Carer Meet Up

Hello, we are your East Family Hubs SEND Specialist Co-Ordinators:

Hope (Seacroft)

Amanda (Chapeltown)

Natalie (Compton)

We are holding a one off event to bring SEND families together so you can meet new people and families to build your support network in a relaxed environment where everyone is welcome.

If you wish to you can speak with one of us at the event to access advice and guidance on your families individual needs and circumstances. Or if you would just like information about SEND services in Leeds we can support with that too. It would be lovely meet new families but also to see families who have met us through accessing Family Hub support already.

Rachel Walker from DWP will be attending. She can speak with anyone who would like support with benefits or employment advice.

Leeds Parent Carer forum are also coming along and will be joined by the Leeds Local Offer. The forum is a voluntary organisation led by passionate parents and carers, who work with the Local Authority, Education, Health and Social Care services to improve the quality of life for children and young people with additional needs, and their families, across Leeds. Why not see how you can get involved.
