PE and School Sport Premium – The Purpose

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2020 to 2021 academic year, to encourage the development of healthy, active lifestyles.

Vision – Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

Vision – School

'For all children in Spring Lane Primary School to experience excellent physical education, school sport and physical activity that will lead to life-long participation.'

We believe a high quality PE curriculum should be an integral part of the whole school curriculum and one that staff, pupils and parents understand and can contribute to.

Our school recognises the values that a high quality PE and school sport curriculum gives pupils.

All pupils are entitled to benefit from high quality PE provision and there is significant evidence to show that this supports other learning right across the curriculum. It also contributes to healthy and active lifestyles, improves emotional well-being, reduces poor behaviour, increases attendance and develops key skills such as leadership, confidence, social and team building skills. Our PE curriculum aims to ensure that all pupils develop the fundamental skills and competence to enjoy and excel in a wide range of physical activities by providing a broad & balanced curriculum with opportunities for all to be enjoyed.

A high quality PE curriculum will develop physical literacy and will allow pupils to learn about themselves, the importance of a healthy lifestyle, self-expression and concepts such as fair play and respect. It also contributes to the development of a range of important cognitive skills such as decision-making and analysis, and social skills such as teamwork and communication.

Meeting national curriculum requirements for SWIMMING and WATER SAFETY

Outcome	% of pupils achieving outcome	
	2018/2019	2019/2020
Swim competently, confidently and proficiently over a distance of at least 25 metres	56%	Unable to comment due to COVID-19
Use a range of strokes effectively; front crawl, backstroke and breaststroke	33%	

Perform safe self-rescue in different water-based situations	Pool based only	
The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water. Have you used and funding for this purpose?	No
