

YEAR 1 NEWSLETTER

Friday 26th June 2026

Maths

Children are learning to recognize and find a **half** in the context of number, time, shape and real life.

This connects to our existing knowledge about halves and doubles within 20.

These videos will help to secure this.

English

Children will be writing a non-fiction piece on the village in Africa that we have been learning about in our topic. We will be writing about the homes, schools, food and what life is like for a child in Zambia.

Have a think over the weekend about which place you would prefer to live at, Mugurameno or Kenilworth? And why?

Topic

Next week we will go back to explore further the village in Zambia. We will compare houses in Zambia to houses here in Kenilworth. We will also have an opportunity to try some African foods. If you would not like your child to participate in trying the African foods, or they have a dietary/allergy that we are not already aware of, please speak with your class teacher. We will also be comparing the lives of children in Zambia compared to Kenilworth, looking at schools, chores and deciding which life they think they would prefer.

Homework

Handwriting:

Username: park

Password: hill

Reading at Home:

Please read three times a week and record in your child's diary. Please bring your physical book back on Monday.

Reminders

Just a reminder that Sing Up! day has been rescheduled to next Thursday as well as the picnic lunch.

Swimming and after school clubs will return as normal from next week.

Many thanks,

Year 1 team 🤗
