Reviewing the social media policy

In an ever-changing and fast-paced world, it is good practice to review some school policies sooner than others and the governing body has requested a review of the social media policy to ensure that it is meeting the legal, and latest AI guidance and procedures. Therefore, the governing body has requested a review of all social media usage including Facebook, Seesaw, mobile phone (student and teacher), as well as in school apps on desktops and iPads. Until further notice, no photographs of school or pupils will be uploaded to Facebook. Existing posts will remain. *Mr Dax*

The Government have launched a HUGE CONSULTATION to consider how children use digital technology as well as measures including: setting a minimum age for children to access social media - and what age would be right. Have your say by visiting: **Government phone consultation**

Help us to Celebrate Vaisakhi

At Belvoirdale we embrace our rich and diverse culture, it reflects the society that we live in. Last year we looked at the Hindu celebration of **Holi**, enjoying a whole day of different and colourful activities, that brought a smile to everyone's face. This year on the **30th April** we will learn about the Sikh festival of **Vaisakhi**, which celebrates the beginning of the Sikh new year as well as the Sikh traditions of *equality and compassion*. We hope to involve all classes with talks from visiting speakers from our communi-

ty, as well as a day packed with art and fun activities. If you are aware of members of the Sikh community who would be able to support our day, please contact the school so that we can organise a memorable and fulfilling day for everyone that celebrates togetherness and equality. *Mrs Hobrow and Mr Dax*
