SEABROOK NEWS

ELMER DAY

The Rainbow Fish Class had a fantastic day celebrating 'Elmer Day' last week! The children were immersed in all things Elmer, while discussing what makes us all different and why this should be celebrated. Each child also had the opportunity to share something special that they brought in from home. Throughout the day they reflected on the important message that on how although none of us look the same as each other and we all enjoy different things, we are all special and unique in our own ways - just like Elmer The Elephant in the story! What a fabulous day spent celebrating each other and our wonderful diversity.

MERIT BOOK

THANK YOU

We would like to say a big thank you to all parents and carers for coming into school over the past week to see your child's new classroom and meet the staff.

It has been wonderful to welcome so many of you into school and we hope you found the opportunity helpful and reassuring as your child begins this new school year. Thank you for your support.

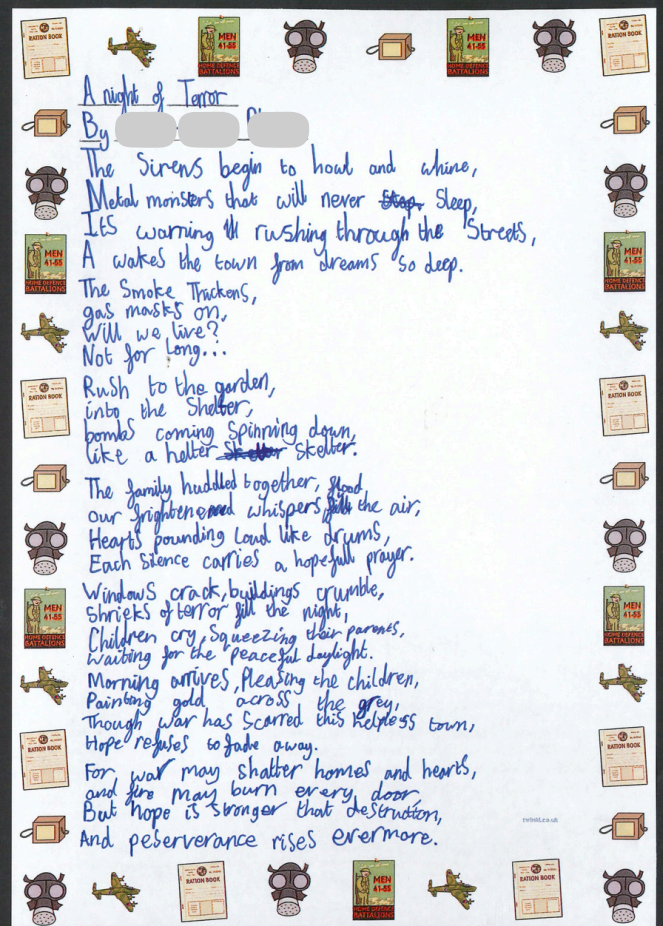

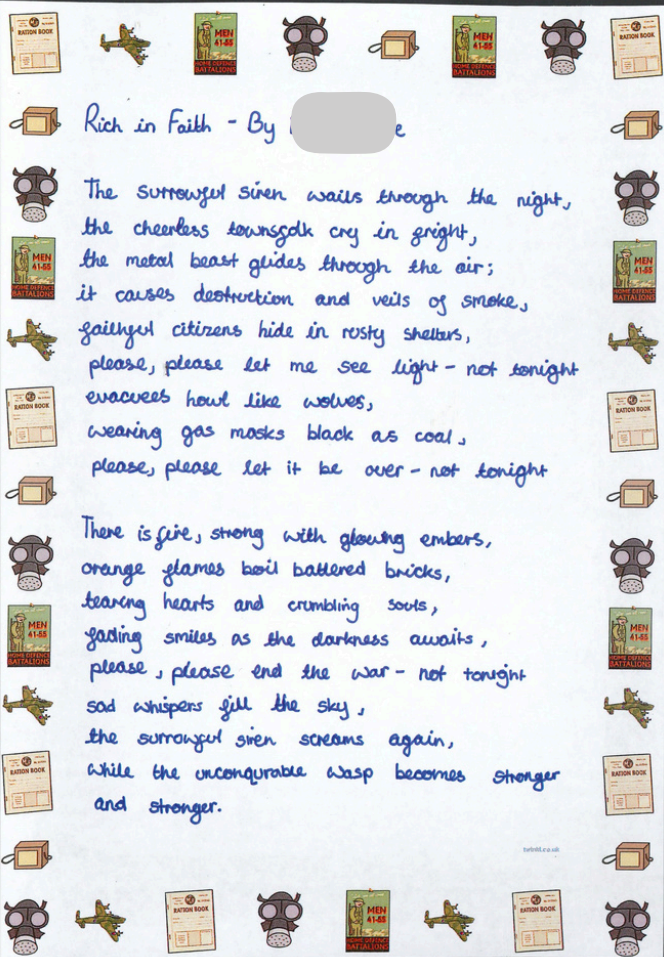

Please let the school office know if you have a sibling that is due to start school in September 2027.

RAINBOW FISH CLASS

What a brilliant first few weeks our Rainbow Fish Class have had at Seabrook! We couldn't be prouder of how they have settled into school life and embraced all of the new experiences that have come their way. It has been fantastic to see the children growing in confidence each day, developing their independence and beginning to build lovely friendships with one another. We are so excited to see what the rest of the year has in store for them. Well done, Rainbow Fish Class!

Swordfish Class have been creating their own poems inspired by their learning around World War 2 and The Blitz.
