Welcome back to school- I hope you are just as excited for the year ahead as we are. We are eager to make some amazing memories together through learning and providing experiences for every child to try new things. We will be going on two school trips this term; Carlisle Castle & Whitehaven. Please help us to build their love of learning by ensuring your child is ready for school each day with the correct equipment, uniform, reading book and *signed* reading record.

We provide you with information via newsletters, emails, the Pennine Way Facebook page, face to face communication where necessary and our year group email address year3@pennineway.cumbria.sch.uk.
