Section 3 - Code of practice for governing boards and governors

An effective governing board must have a clear sense of purpose and direction for its school. The governing board is accountable to the school community and broader community for the effectiveness of the school. In its work, the governing board will collaborate with, and be questioning of, the headteacher and staff, who are responsible for the day-to-day management and operation of the school.

The governing board has the following core strategic functions:

- Certifying the strategic direction of the school by:
 - Setting and ensuring there is clarity of vision, ethos, and strategic direction, determining priorities and setting targets. Complying with all statutory duties.
- Ensuring accountability by:
 - Appointing a headteacher who is fit for purpose and holding the executive leaders to account for the educational performance of the organisation and its pupils and the performance management of staff
 - Ensuring the voice of stakeholders are heard.
- Managing financial performance by:
 - Overseeing the financial performance of the organisation and making sure that its money is well spent.

As individuals on the governing board, we agree to fulfil our roles and responsibilities

- 1) We accept that our role is strategic and so will focus on our core functions rather than involve ourselves in day-to-day management.
- 2) We will develop, share, and live the ethos and values of our school.
- 3) We agree to adhere to school policies and procedures as set out by the relevant governing documents and law.
- 4) We will work collectively for the benefit of the school.
- 5) We will be candid but constructive and respectful when holding senior leaders to account.
- 6) We will consider how our decisions may affect the school and local community.
- 7) We will stand by the decisions that we make as a collective.
- 8) Where decisions and actions conflict with the Seven Principles of Public Life or may place pupils at risk, we will speak up and bring this to the attention of the relevant authorities.
- 9) We will only speak or act on behalf of the board if we have the authority to do so.
- 10) We will fulfil our responsibilities as a good employer, acting fairly and without prejudice.
- 11) When making or responding to complaints we will follow the established procedures.
- 12) We will strive to uphold the school's reputation in our private communications (including on social media).

Demonstrate our commitment to the role

- We will involve ourselves actively in the work of the board, and accept our fair share of responsibilities, serving on committees where required.
- We will make every effort to attend all meetings and where we cannot attend explain in advance why we are unable to.
- We will arrive at meetings prepared, having read all papers in advance, ready to make a positive contribution and observe protocol.
- We will get to know the school well and respond to opportunities to involve ourselves in school activities.
- We will visit the school and when doing so will make arrangements with relevant staff in advance and observe school and board protocol.
- When visiting the school in a personal capacity (i.e. as a parent or carer), we will continue to honour the commitments made in this code.
- We will participate in induction training and take responsibility for developing our individual and collective skills and knowledge on an ongoing basis.

Build and maintain relationships

- We will develop effective working relationships with school leaders, staff, parents, and other relevant stakeholders from our local community.
- We will express views openly, courteously, and respectfully in all our communications with board members and staff both inside and outside of meetings.
- We will support the chair in their role of leading the board and ensuring appropriate conduct.

Respect confidentiality

- We will observe complete confidentiality both inside and outside of school when matters are deemed confidential or where they concern individual staff, pupils, or families.
- We will not reveal the details of any governing board vote.
- We will ensure all confidential papers are held and disposed of appropriately.
- We will maintain confidentiality even after we leave office.

Declare conflicts of interest and be transparent

- We will declare any business, personal or other interest that we have in connection with the board's business, and these will be recorded in the Register of Business Interests.
- We will also declare any conflict of loyalty at the start of any meeting should the need arise.
- If a conflicted matter arises in a meeting, we will offer to leave the meeting for the duration of the discussion and any subsequent vote.
- We accept that the Register of Business Interests will be published on the school website.
- We will act in the best interests of the school as a whole and not as a representative of any group.
- We accept that in the interests of open governance, our full names, date of appointment, terms of office, roles on the governing board, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing us will be published on the school's website.
- We accept that information relating to board members will be collected and recorded on the DfE's national database of governors (Get information about schools), some of which will be publicly available.

We understand that potential or perceived breaches of this code will be taken seriously and that a breach could lead to formal sanctions

Revised September 2025

Review July 2026

The Seven Principles of Public Life The Nolan Principles

Selflessness – Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family, or their friends.

Integrity - Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity - In carrying out public business, including making public appointments, awarding contracts, or recommending individuals for rewards and benefits, holders of public office should make choices on merit.

Accountability - Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness - Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest clearly demands.

Honesty – Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership - Holders of public office should promote and support these principles by leadership and example
