

Term	Autumn 2	Date	2 nd Dec 24
------	----------	------	------------------------

Information

- I was very disappointed to be ill for this year’s Kings Got Talent (I’m very rarely absent through illness). Whilst missing the event I was able for the first time to watch our stream (this was only available internally). Obviously, all the children and staff involved were brilliant, but I wanted to pay homage to Mr Allcock and Miss Jaffrey, who were responsible for all technical aspects (sound, images, the stream), the standard was very professional, and we are very honoured to have you both as part of Team KR.
- Full details of next week’s KS1 nativity performances will be sent out by Mrs Hoodless. However, I wanted to note that on this occasion the performances will not start until 9.30am, with doors opening at 9.25am. We won’t be able to permit anyone in early as I worry about the busyness of the Reception area in the morning and potential safeguarding risks. We will ask parents of Y2 children to sit at the front for each performance and will restrict Y1 audience members to a maximum of two places per child.
- Please drive and park sensibly and responsibly. Even if the weather is cold, it is reasonable to walk to school if you live within one mile (20-minute walk).
- Please ensure that if your children are well enough, they are in school on time every single day – free days of are not an option.
- Please remember that school finishes at 3.15 – we are not able to supervise children after this time and reserve the right to either charge for supervision or send children to Janice’s after school (which will also be chargeable).

Spotlight

The Office

We are so very honoured to have the Office staff that are at Kings Road. They all demonstrate commitment to what we’re trying to achieve, are laden with talent and all have great humour. Without any one of them the school wouldn’t be able to function at the level that it does.

Mrs Grady – Business Manager – Mr Gray is incredible, she sacrifices herself to help others, meaning that she is here until late every day. Whilst Mrs Grady’s main responsibility is management of the school budget she plays a vital role in leadership of the entire school.

Miss Wrigley – Office Manager – One of Miss Wrigley’s many qualities is her organisational skills – I don’t where we would be without her!

Mrs Scott – Attendance Officer – Mrs Scott has an encyclopaedic knowledge of Kings Road, her smile and infectious personality lighten up all our days

Miss Wright – Reception – We all love Miss Wright; she has positive relationships with all the children and has a genuine passion for people

Miss Kour – Office Support – A lady of many talents, Miss Kour helps every person in the office, and every member of our school due to the vast range of her abilities.

Celebrations

As mentioned earlier KGT was a brilliant success. Thank you to all the children that took part, and well done to those children that made it to our prestigious finals.

Congratulations to the winners of both events.
