NEWSLETTER

Dear Parents and Carers,

What a wonderful week we've had to round off the half term!

Last Friday, we celebrated our **Harvest Festival** at the church, and we couldn't be prouder of the children. Each class performed songs they had **composed themselves**, filling the church with joy and creativity. Thank you to everyone who attended the service and for the generous **food donations**—your kindness will make a real difference to local families. The children's dedication and imagination truly shone through in their performances.

Our **PTFA Halloween Disco** was another fantastic success! The costumes were awesome, and the energy was infectious. A special thank you to **Mr Cornish and Mr Farwell** for embracing the hilarious apple-bobbing and mummification competitions, and to **Mrs Hill** for leading the limbo contest. We're so grateful to all the organisers who transformed the hall with spooky decorations, baked delicious cakes, ran the photobooth, and stayed to tidy up—thank you for your hard work!

This week has been just as exciting. On **Tuesday**, Hedgemoor welcomed the **Dental Team**, who taught the children about keeping their teeth clean and even gave everyone a new toothbrush to take home.

On **Wednesday**, Ernie ran the second **Franken Teddy Workshop** encouraging creative recycling by giving old toys a new lease of life!

On **Thursday**, **Kennick Class** became **Eco Warriors**, joining the **National Education Nature Parks**—a government-funded project led by the Natural History Museum, the Royal Horticultural Society, and the University of Reading. They began their 'baseline survey' to discover the wonderful nature around us. A huge thank you to **Mrs Hill** for coordinating this inspiring initiative which helps towards our Climate action plan.

We wish all our families a well-deserved and restful half-term break. See you on Monday 3rd November.

Franken Teddy Workshop

It was Kennick's turn this week to take part in another Franken-Teddy Workshop. Thank you to Mrs Hill and Ernie for organising this wonderful event and to the adults that helped on the day. Children were really excited to show off their new toys, sharing their names they had created.

Harvest Festival

Hedgemoor Dental Visit

On Tuesday afternoon, Hedgemoor had a visit from Marsha, a dental nurse. She reminded us all about good tooth brushing habits and keeping our teeth healthy. We watched a fun video about Geoffrey the Giant who forgot to brush his teeth. His friends helped him to learn about healthy teeth habits.

Kennick Nature Audit

On Thursday morning, dodging the showers, Kennick became Citizen Scientists for the afternoon as part of the National Education Nature Parks project set up by the Natural History Museum in London. The children identified the different habitats on our site and then entered the data onto the NENP site, so it can be added to our understanding of how school sites can support spaces for nature.

England is, *'one of the most nature depleted countries in the world'*, so it's really important we try to make as many spaces for nature as we can - schools are the future and are playing a big part in this.

Children then made suggestions as to how they would like to develop the school site to make it even more nature friendly, building their futures as guardians for wildlife.

A huge thank you to Lottie, Lucy and Angela for volunteering their time to help us with this project.

We need your help!

This Christmas, our school are supporting the charity Blythswood with their Shoe Box Appeal. More information about this can be found below:

[Shoe Box Appeal | Blythswood](#)

Our School Council members will be travelling to Exeter in November to volunteer their help with packing shoe boxes. These will be sent to countries affected by war.

Please help us by donating any of the items listed. Please hand any donations to Mrs Hill or Mrs Fleming by November 10th. Thank you!
