

# Half Term

At St Mary's, I work hard and use up lots of energy.

After lots of work and play, it is important that I rest and  
this is why we have school holidays!

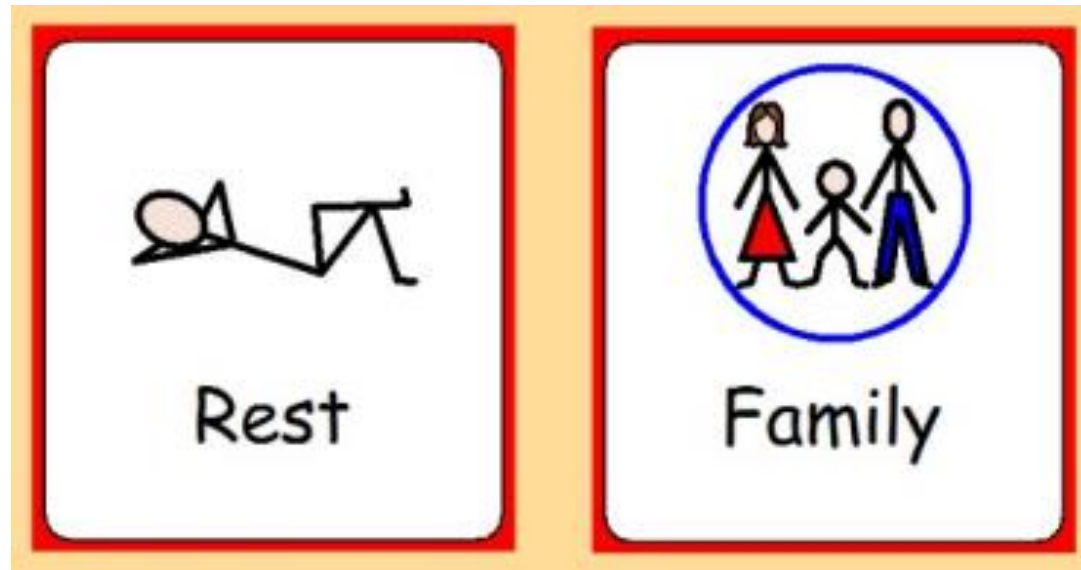

We call some of the holidays - Half Term and this is when I will get a week off of school.

There is no school in Half Term - the school is closed.

It is important to spend Half Term doing things I like, such as being with family, but I must also rest too.

The teachers at St Mary's really hope that you enjoy your Half Term and week look forward to seeing you back in 1 week's time (this is 7 days).
