

Year 4 Homework

18th June 2026

<p><u>Maths</u> Due in Wednesday</p>	<p>See attached. All work should be completed on the sheet and glued in homework books.</p>										
<p><u>Spelling test</u> Thursday</p>	<p>Spelling Focus: Possessive Apostrophes</p> <table border="1"><tr><td>Accident</td><td>Experimentally</td></tr><tr><td>Accidentally</td><td>Natural</td></tr><tr><td>Actual</td><td>Naturally</td></tr><tr><td>Actually</td><td>Occasion</td></tr><tr><td>Experiment</td><td>Occasionally</td></tr></table> <p>(All spelling words will be randomly chosen for the spelling test on Thursday).</p>	Accident	Experimentally	Accidentally	Natural	Actual	Naturally	Actually	Occasion	Experiment	Occasionally
Accident	Experimentally										
Accidentally	Natural										
Actual	Naturally										
Actually	Occasion										
Experiment	Occasionally										
<p><u>English</u> Due in Monday</p>	<p>See attached. All work should be completed in homework books.</p> <p>Please remember to take the time to read a novel each day.</p>										

Maths

Part I – Review on Money

NO REGROUPING

$$\begin{array}{r} 1) \quad \text{£}2.45 \\ + \quad \text{£}1.32 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 2) \quad \text{£}5.70 \\ + \quad \text{£}1.27 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 3) \quad \text{£}6.21 \\ + \quad \text{£}3.45 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 4) \quad \text{£}3.34 \\ + \quad \text{£}6.03 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 5) \quad \text{£}5.44 \\ + \quad \text{£}3.12 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 6) \quad \text{£}0.72 \\ + \quad \text{£}3.05 \\ \hline \\ \hline \end{array}$$

WITH REGROUPING

$$\begin{array}{r} 10) \quad \text{£}5.48 \\ + \quad \text{£}1.27 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 11) \quad \text{£}3.75 \\ + \quad \text{£}2.53 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 12) \quad \text{£}8.38 \\ + \quad \text{£}0.56 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 13) \quad \text{£}1.95 \\ + \quad \text{£}5.67 \\ \hline \\ \hline \end{array}$$

$$\begin{array}{r} 14) \quad \text{£}7.82 \\ + \quad \text{£}1.65 \\ \hline \\ \hline \end{array}$$

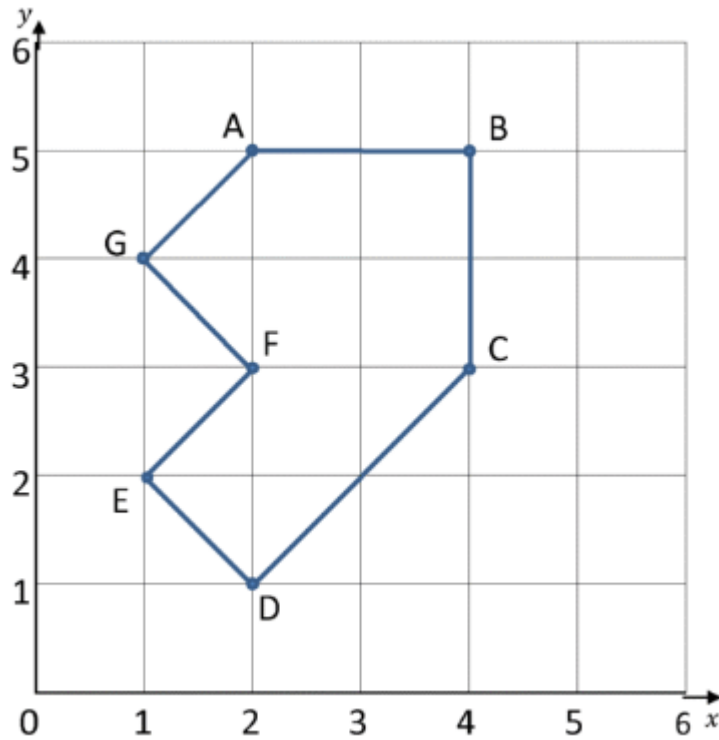

$$\begin{array}{r} 15) \quad \text{£}4.87 \\ + \quad \text{£}3.38 \\ \hline \\ \hline \end{array}$$

Solve these word problems:

1. A family is going bowling during peak time. They buy two adult tickets and 2 child tickets. They pay with one £20 and one £10 note. How much change do they get?
2. Two adults and one child go bowling. They get £2.70 change from a £20 note. Did they go in peak or off peak time?
3. Another family buy 4 adult and 2 child tickets during off peak. They got £15.40 change. How much did they give the cashier?

Tickets	Peak	Off Peak
Adult	£8	£6
Child	£4.20	£5.30

Part 2 – Review on plotting coordinates

1) Write down the coordinates of the points on the first grid.

A (__, __)

B (__, __)

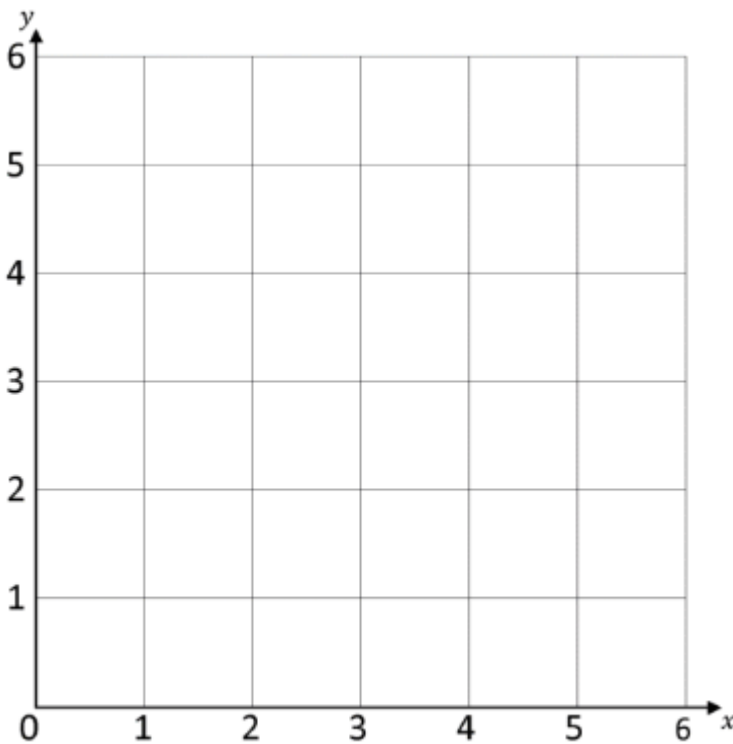

C (__, __)

D (__, __)

E (__, __)

F (__, __)

G (__, __)

2) Plot these coordinates on this grid: (1,2) (2,4) (4,3)

3) Plot the 4th point so that the four coordinates make a square.

What is the coordinate of the 4th point? (__, __)

4) Plot another square that has no horizontal or vertical lines. What are the 4 coordinates?

(__, __) (__, __)

(__, __) (__, __)

Part 3 – Practice on Number

Tables Multiplication

$10 \times 9 = \boxed{}$

$2 \times 7 = \boxed{}$

$2 \times 4 = \boxed{}$

$3 \times 7 = \boxed{}$

$3 \times 5 = \boxed{}$

Missing number

$89 + \boxed{} = 99$

$\boxed{} - 47 = 19$

$\boxed{} + 39 = 63$

$94 - \boxed{} = 78$

$\boxed{} - 28 = 54$

Multiply Powers of 10

$3 \times 10 = \boxed{}$

$22 \times 100 = \boxed{}$

$1045 \times 1000 = \boxed{}$

$998 \times 100 = \boxed{}$

$7 \times 10 = \boxed{}$

Tables Division

$6 \div 6 = \boxed{}$

$9 \div 1 = \boxed{}$

$60 \div 10 = \boxed{}$

$32 \div 8 = \boxed{}$

$40 \div 5 = \boxed{}$

Place Value

$2 \text{ Tenths} = \boxed{0.2}$

$3 \text{ Thousandths} = \boxed{0.2}$

$8 \text{ Hundredths} = \boxed{0.2}$

$7 \text{ Thousandths} = \boxed{0.2}$

$5 \text{ Tenths} = \boxed{0.2}$

Convert Time Units

$120 \text{ m} = \boxed{} \text{ h}$

$8 \text{ w} = \boxed{} \text{ d}$

$56 \text{ d} = \boxed{} \text{ w}$

$1000 \text{ ms} = \boxed{} \text{ s}$

$240 \text{ s} = \boxed{} \text{ m}$

Fractions / Decimals

$0.5 = \boxed{2/2}$

$0.75 = \boxed{2/2}$

$0.6 = \boxed{2/2}$

$3/5 = \boxed{0.2}$

$1/4 = \boxed{0.2}$

Missing number 2

$9 + 14 = 8 + \boxed{}$

$38 - 10 = \boxed{} + 13$

$\boxed{} + 11 = 15 - 3$

$11 - \boxed{} = 17 - 12$

$2 + \boxed{} = 4 + 5$

English Part I – SPAG Consolidating Subordinating Conjunctions

1. Match the main clause and the correct subordinating clause together.

I had to wash my uniform

if you tidy your bedroom.

You may go to the shop and buy a magazine

when her favourite lamp fell over and broke.

Freya was really upset

because I spilt my dinner on it.

VF
HW/Ext

2. Underline the subordinating conjunctions in the sentences below.

A. The dog is barking **because** the cat is sat on the windowsill.

B. My mum told my brother that he could buy a new game for his computer **if** he completed the sponsored walk.

C. I disagree with my father's opinion that football is better than rugby.

VF
HW/Ext

3. Which text is the odd one out? Explain your answer.

A. Benjamin stomped out of the stadium. He was upset because his favourite football team had lost the match.

B. Louise was walking to her grandad's when she heard a loud crash. She looked around her because she wanted to see what had happened.

C. Mrs Taylor gave out the treats when play time was over. The class had earned them because they had won the attendance award in assembly.

AR
HW/Ext

4. Match the main clause and the correct subordinating clause together.

Harry didn't have his coat on

while Susan went shopping.

I was very tired

although it was raining.

Jen visited the library

after our long walk.

VF
HW/Ext

5. Underline the subordinating conjunctions in the sentences below.

A. Before the bell rang, the children were running happily around the playground.

B. Phillipa was cleaning her car while her sister was mowing the lawn.

C. Although the sun was shining, it was extremely cold outside

D. Michael visited his grandma at the weekend because it was her birthday.

VF
HW/Ext

6. Which text is the odd one out? Explain your answer.

A. Because it was parents evening tomorrow, Kate was starting to feel nervous. She wasn't sure what her teacher was going to say to her parents. If it wasn't as good as last year's report she knew she was going to be in trouble.

B. Paul and Frank decided to take the dog for a walk while their mum was making dinner. Before they got to the park, they noticed something strange happening on the other side of the road. They decided to walk over and investigate.

C. After the rain had started to slow, an incredible rainbow appeared. Although it wasn't very bright, the rainbow seemed to glow against the dark sky. Many pedestrians began to admire the sight because it was such an usual sight.

AR
HW/Ext

7. Match the main clause and the correct subordinating clause together.

The teacher didn't share the last two biscuits

because it wouldn't have been fair on the other children.

Jessica and Harvey were tired

even though myself and Jane were already going.

Lewis invited us to the rock concert

but they couldn't leave the party because it was for their birthday.

VF
HW/Ext

8. Underline the subordinating conjunctions in the paragraph below.

Meredith loved living with her grandmother but didn't like to share her space with her cousin. It was an autumnal afternoon when Meredith decided to take a walk in order to get some space away from Jane. Although she loved autumn, she hated being cold. She wrapped her scarf tightly around her neck before zipping her coat up fully and putting on her gloves. Whenever she had the chance, she would stop to take in the autumn colours of the leaves. She would kick the tiny gravel stones while she walked along the forest tracks.

VF
HW/Ext

9. Which text is the odd one out? Explain your answer.

A. Damon was trying to find his way out of the maze when a creature appeared out of the shadows. If he wasn't scared before, he certainly was now. The creature seemed to be pointing towards something but Damon couldn't make out what it was.

B. Even though it was getting late, Niall decided to go for a walk. As the rain started to clear, the darkness seemed to lift and the evening became lighter. Niall decided to walk as fast as possible in case the downpour restarted.

C. Since the weather had started to get warmer, the plants in the garden had started to bloom. Lara checked on them whenever she had chance. She loved how colourful the garden was and wanted to keep it that way.

AR
HW/Ext

Part 2 – Creative writing: The Magical Book

Prompt: You step into the school library, pull an old book off the shelf, and suddenly get sucked right into the story. How do you change the plot?

For this task, choose one of your favourite stories or a famous story we all know well (for example, the Three Little Pigs or Little Red Riding Hood).

If you were suddenly sucked into the story, what would happen? How might the story change?

Part 3 – Spelling

Write out your spelling words, decide between the two how you will complete this.

Option 1: Fancy Letters

Write each of your words using fancy letters. Your letters can have curly q's or dots. Have fun!

After your fancy writing, please write out each word normally three times.

Option 2: Silly sentences

Write 3 or more sentences that use all your spelling words. Underline each spelling word. For example: My dog wears a blue and purple dress when he takes a bath.
