

3rd November 2025.

Dear Parents and Carers,

You will shortly receive a copy of your child's *Commitment to Learning* scores and target grades. We are currently analysing this information, and selected students will be invited to attend a Progress Meeting accompanied by you on **Wednesday 19th November**.

During this meeting, a member of the Sixth Form team will discuss the student's effort, motivation, and future aspirations. Together, we will create a plan to ensure that each student has every opportunity to achieve their full potential.

From **Monday 3rd November**, all Year 12 students will also have short, scheduled meetings with the college's Academic Coaches. These informal discussions focus on developing effective study skills and maximising learning. Students will receive advice on study and revision techniques, time management, and managing stress. They will also have the opportunity to discuss any barriers to progress and explore possible solutions.

These meetings are designed to be supportive, constructive, and highly beneficial. We strongly encourage all students to attend and to arrive promptly.

Yours sincerely,

Mr M Ashton
Deputy Headteacher
Wigston Academies Trust
