- Downloading the iOS App for iPhones – Search for Bromcom Student in the App Store
- Downloading the Android app – Search for Bromcom Student in the Google Play Store

## iOS and Android App Logon

When you open the app for the first time, it will ask you to choose a 5-digit PIN, and setup Biometrics (Fingerprint/Face ID) if your phone supports this.

Click the Green 'Logon with Magic Link' button.

Enter your School ID Number from the options below:

Coombeshead Academy - **12743**

Dartmouth Academy - **12744**

King Edward VI CC - **13821**

Kingsbridge CC - **12745**

South Devon UTC - **12757**

Teign School - **12750**

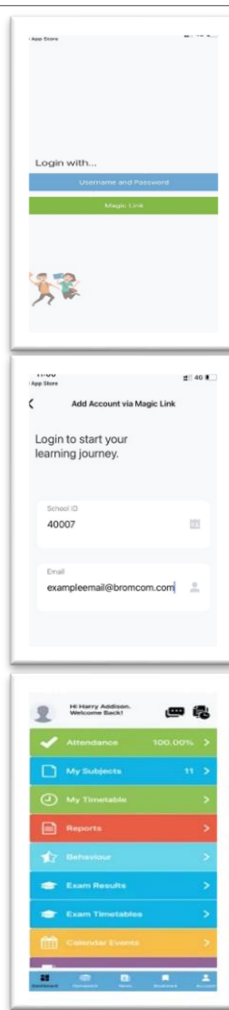

Then enter your school email address into the email box.

Finally, click Continue at the bottom. Close the Bromcom Student app.

Next, you need to access your school email account using the email app (eg) Outlook/Mail on your phone. If you have not linked your school email account to your mail app, you will need to do this now.

Once you have linked your school email to the Mail app on your phone, you will have received a Magic Link from Bromcom. Click on the link and this will activate the app for you.

You will now be able to access your app with your PIN, Fingerprint or Face ID.
