

□ Remote Learning Guide

Geography and Travel & Tourism

w.c 29th June 2026

What is the remote learning guide?

Where students are unable to attend school due to, medical, or disciplinary reasons we will continue to provide resources to enable students to continue their education at home – we call this remote learning. We want to minimise the impact to your child’s education and therefore we have a plan to make sure learning can continue when they are unable to attend school.

We will be providing all teaching resources through Microsoft Teams. All students will be automatically placed in a Team for their classes in all subjects. Teachers will place all activities, including lessons and resources as files in these Teams. Pupils can access the Teams through their school email accounts. Teachers will also set homework and send messages to their pupils using MS Teams. All work will be available before the lesson is due to start.

You can see a summary of what is being taught each week through the remote learning guides that are shared on the school website every Friday. The guides are also shared with students on their year group’s MS Teams. Your child’s teachers will also be available via email to answer any questions or queries your child may have. The email address for the head of each department is also included within this guide if you need to contact them regarding any subject related issue.

Pupils are also regularly set tasks and can access resources using the following platforms:

- **GCSEPod** - <https://www.gcsepod.com/>
- **Bedrock learning** - <https://bedrocklearning.org/>
- **Seneca** - <https://senecalearning.com/en-GB/>
- **UpLearn** - www.uplearn.co.uk
- **Sparx Maths** - <https://sparxmaths.com/>

The following resources provide lessons created by the BBC and Department for Education that may be used with your children to extend their learning at school.

- **Oak National Academy** - <https://www.thenational.academy/>
- **BBC Bitesize Daily Lessons** - <https://www.bbc.co.uk/bitesize/dailylessons>

Studies show that reading for pleasure makes a big difference to children’s educational performance. We recognise that reading is vitally important to your child’s education. Please make sure your child reads approximately one book a week. Students may access online news resources using The Day - <https://theday.co.uk/> or they may borrow a book from the school library.

Students record the passwords for these online resources in their school planner. If your child is unable to access the digital resources set by their teachers, please contact your child’s Year Manager or Year Coordinator or the school directly using this email address: enquiry@holte.bham.sch.uk

Head of Department: Mrs L Taylor l.taylor@holte.bham.sch.uk

What is your child learning this term?

Year 7 pupils will be finishing the Weather & Climate Unit over the first 2 weeks of this term. They will then be working through the Global Fashion Unit with a focus on understanding the process of globalisation as well as the impact we as consumers can have on places all over the globe. If you would like to do more research into Fashion and Globalisation from home, we suggest the following websites:

<https://www.bbc.co.uk/bitesize/courses/zkdfvwx>

<https://www.bbc.co.uk/bitesize/topics/zvwtbkb/articles/z2fgr7h>

Class	Teacher	Lessons, including homework deadlines & resources
7gg1	Mrs Taylor, Ms Daniells	<u>Mon (MAD): Coasts Lesson 2</u> <u>Thurs (LAT): Coasts Lesson 3</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
7gg2	Mr Ahmed & Mr Jubier	<u>Mon (SOA): Coasts Lesson 1</u> <u>Thurs (SOA): Coasts Lesson 2</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
7gg3	Mrs Taylor, Miss Daniells & Mrs Ali	<u>Tuesday: Cover – LAT on Trip</u> <u>Wednesday: MAD on trip</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
7gg4	Mrs Davis & Miss Hussain	<u>Tues (HUH): Coast unit – Lesson 1 – What is a coastline?</u> <u>Wed (JRD): Lesson 2 – Weathering and erosion</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted.
7ggN	Mr Ahmed	<u>Tues (SOA): Coasts lesson 2</u> <u>Wed (SOA): Coasts Lesson 3</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:

7gg5	Miss Parviez, Ms Daniells & Mr Walters	<u>Mon(MAD): MAD on trip</u> <u>Wed(MAD): MAD on trip</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
7gg6	Mr Ahmed & Miss Parviez	<u>Mon (SOA): Coasts Lesson 1</u> <u>Wed (SOA): Coasts Lesson 2</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
7gg7	Mrs Davis & Mrs James	<u>Tues (JRD): Lesson 9 - Sustainable fashion</u> <u>Thurs (JRD): Coasts – Lesson 1</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted.
7gg8	Mrs Taylor & Miss Daniells	<u>Tues:Cover – LAT on Trip</u> <u>Thurs: Coasts Lesson 1</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:

Head of Department: Mrs L Taylor l.taylor@holte.bham.sch.uk

What is your child learning this term?

Year 8 will be completing their EoY Exam over the next few weeks. Once that is complete, pupils will move onto the Middle East unit, with a focus on understanding this at times complex area of the globe.

Class	Teacher	Lessons, including homework deadlines & resources
8gg1	Mr Ahmed	<u>Thurs (SOA): Summative Exam Feedback</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg2	Mrs Cohen, Ms Daniells, Miss Parviez	<u>Thurs (TAP): Lesson 6 Middle east</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg3	Mrs Ali	<u>Thurs (SUA):</u> <u>Fri (SUA):</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg4	Miss Hussain	<u>Thursday: Summative Exam Feedback</u> <u>Friday: Lesson 4: How has oil affected the Middle East?</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg5	Miss Daniells & Mr Ahmed	<u>Monday SOA : Lesson 3 Middle East</u> <u>Tuesday SOA: Lesson 4 Middle East</u> <u>Thursday (MAD): MAD on trip</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg6	Mrs Bashir & Miss Smith	<u>Mon: End of year exam feedback</u> <u>Tues: What factors affect Yemens development?</u> <u>Thurs: How has oil affected the Middle East?</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted.

		Homework:
8gg7	Miss Daniells & Miss Hussain	<u>Monday MAD: MAD on trip</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:
8gg8	Mr Galloway	<u>Mon: End of year exam feedback</u> Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted. Homework:

Year 9

Head of Department: Mrs L Taylor l.taylor@holte.bham.sch.uk

What is your child learning this term?

Year 9 groups will be studying the Hazardous Earth Unit this term which includes Plate Tectonics, Tropical Cyclones and Climate Change.

Use the following links to explore this unit further:

<https://www.bbc.co.uk/bitesize/topics/zn476sg>

Class	Teacher	Lessons, including deadlines & resources
9Agg1	Mrs Davis & Mrs Taylor	<p><u>Tues: Haiti Case Study</u> <u>Thurs: Haiti Case Study</u></p> <p>Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted.</p> <p>Homework:</p>
9Bgg1	Miss Daniells & Mr Ahmed	<p><u>Tuesday: MAD on trip</u> <u>Friday: development graphs</u></p> <p>Pupils are expected to find the PPT for the lesson in their Geography group on Teams in the files folder. Using their geography class books if they have them (or lined paper), pupils should then follow the slides, make notes for each slide, and complete the tasks as prompted.</p> <p>Homework:</p>

Year 10

Head of Department: Mrs L Taylor l.taylor@holte.bham.sch.uk

What is your child learning this term?

The Year 10 geographers will be completing The UK's Physical Landscape this term, which includes understanding the complex processes which shape the UK's landscape. The unit is split into 2 main sections; Coasts and Rivers.

If you would like to extend your learning further then the following websites offer wider reading, revision and case study information:

<https://senecalearning.com/en-GB/>

<https://www.bbc.co.uk/bitesize/examspecs/zsytxsg>

<https://members.gcsepod.com/login/>

All work should be completed in your red class book and please email your class teacher if you require any extra information or explanation.
