Dear Parents and Carers,

It's been another busy and joyful week at Wynstream, filled with sunshine, learning, and community spirit!

Governors' Meeting – Tuesday

Thank you to all parents who have expressed an interest in joining our Governing Body. Your involvement is invaluable, and we look forward to welcoming new voices to help shape our school's future.

Thank You to Our Volunteers

A heartfelt thank you to **Leah Whale, Chantelle Gibbs, and Billie Bell** for generously giving their time to support both in class and with PTFA activities. Your help makes a real difference to our children's experience.

Reading Volunteers – Thank You!

A big thank you to the parents and carers who have signed up to become reading volunteers. As a community school, we warmly welcome your involvement. If you're interested in joining us, please speak to a member of staff and collect a volunteer form from the school office.

Please note: All volunteers must complete a DBS check and provide references before working in school.

Attendance

Attendance & Reading – A Strong Start to the Year!

After sharing that our school-wide focus this year will be on attendance and reading at home, we've begun the term with an overall attendance rate of 94.4%—thank you to all our families for supporting this!

Special congratulations to:

- Foxes Class – an outstanding 97% attendance!
- Cedar Class – closely behind at 96.4% attendance!

What a brilliant start for both classes—well done!

Attendance plays a vital role not only in academic progress but also in friendships and children's mental health. Consistent routines help every child feel secure and ready to learn. Please ensure your child attends school every day unless they are genuinely unwell.

Attendance is everyone's responsibility.

Additional Information

On Thursday, October 2nd, EYFS, Year 1 & 2 will be holding a special PSHE Day with the theme *"Together at the Table."*

The children will take part in activities suited to their age group. They will explore how eating together helps us to build kindness, respect, and friendships.

As part of the day, **all pupils will be provided with a school lunch**, and we will enjoy this meal together in a special way, with teachers and pupils sitting side by side.

Pupils will be able to choose from Fish Fingers and Chips, Veggie Fish Fingers or a Cheese Wrap. You do not need to order this as we will provide choice on the day. **If your child usually has an adapted menu, this will be provided for them as normal.**

This day is designed to:

- Encourage good table manners and positive conversation.
- Help children understand the importance of inclusion and kindness at mealtimes.
- Celebrate the joy of sharing food together as a school community.

Kitchen staff will take into account any allergies or dietary needs when offering choices.

We are looking forward to a wonderful day of learning, sharing, and eating together!

You may of course let a child bring a packed lunch to supplement this if you wish.

School Photographer Visit

Fraser Portraits will be here on Monday 29th September to take individual and sibling photos. You do not need to request sibling photos, we will ensure all siblings have a photo together.

Please ensure your child attends school in full school uniform. If your child usually has PE on Monday, we kindly ask that they come to school in their regular uniform instead of their PE kit.

Please may we remind parents, If an issue arises at school involving another student, we kindly ask that you speak directly with a member of staff wearing a blue lanyard. Please do not approach the child involved yourself.

Thank you for your cooperation and understanding.

Lastly, a massive thank you to new roots for the incredible new shelter that has been installed near our adventure playground.
