

# Empowering Young Citizens: Financial Education at Kingsbridge Primary School

A purposeful financial education, preparing pupils to manage money confidently, ethically, and sustainably, rooted in the local rural and coastal economy of South Hams.

## Our Vision and Values

### Nurturing Responsible Citizens

Building confidence and capability to understand how money works in everyday life.

### Rooted in Local Context

Connecting financial learning to the rural and coastal economy, including farming and tourism.

### Values-Driven Decisions

Encouraging ethical and sustainable choices that respect the environment and the community.

### Whole-School Integration

Embedding financial awareness across Maths, PSHE, and extra-curricular community projects.

## The Guiding Principles

### Enterprise & Future Skills

Developing resilience through age-appropriate micro-business ideas and class fund-raising projects.

### Equity & Inclusion

Ensuring financial education is accessible to all pupils, removing barriers to lifelong participation.
